The objective is to integrate discipline related skills in a holistic manner with general education. These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

These activities help in character building, spiritual growth, physical growth, etc. They facilitate development of various domains of mind and personality such as intellectual, emotional, social, moral and aesthetic developments. Creativity, Enthusiasm, and Positive thinking are some of the facets of personality development and the outcomes of these activities.

Eligibility for opting NSS as SEC value Based:

Duration of the Course:

The duration of the National service Scheme shall extend over 3 semesters (two academic years) of 16 weeks or more, each with a maximum of 32 actual working hours of instruction/ field Activities in each semester.
