 - In case one or more answers are not valued by the original examiner, then the marks awarded by the subsequent examiner as far as these answers are concerned shall be taken as they are, without averaging with the marks of other answers.
 - In cases where there is a difference between the original marks, first revaluation marks or/and the second revaluation marks clearly indicating that a particular examiner has been erratic in his/her valuation, then such cases shall be referred to the *Malpractice and Lapses Inquiry Committee* to establish whether or not any punitive measures need to be taken.
 - If there is a complaint of unfair valuation of answer scripts for a group of students, the Vice-Chancellor may, after a preliminary inquiry, order for revaluation of the concerned group of or entire set of students in the paper concerned. After such revaluation, a random sample of 10% of the answer scripts, subject to a minimum of ten, shall be referred for review.
