The meeting was initiated with a welcome speech by Prof. Suresha, chairman of the board. The importance of the meeting was presented along with the agenda of framing the syllabus as per SEP Regulations for various courses to be offered as part of the proposed B.Sc. (Hon's) (Data Science & Artificial Intelligence) UG program.

The draft of the proposed scheme, titles of the courses and the respective syllabi are placed before the members of the board for discussion and suggestions were sought.

After detailed presentation and discussion among the members, the following were resolved to be recommended.

1. The proposed B.Sc. (Hon's) (Data Science & Artificial Intelligence) should be offered under the common SEP regulations being followed by the University from time to time for the existing general (conventional) B.Sc. (Hon's) (Data Science & Artificial Intelligence) program.

The only difference is in the titles of various courses and their respective syllabi offered under DSC, DSE and SEC.

2. The overall number of credits to be earned by the students and distributions of credits in each semester are exactly on par with the existing B.Sc. (Hon's) (Data Science & Artificial Intelligence) program of the University.

3. The scheme and title of the various courses along with the credit patterns under respective syllabi for the proposed program are given in Annexure B.Sc. (Hon's) (Data Science & Artificial Intelligence)
