PREFACE

The higher education in India is becoming an international service as observed during the last three decades. There is growing concern all over the world about quality, standards and recognition of the higher education institutions. There is a need to ascertain and assure quality in the teaching-learning, research and extension, organization and management of Universities and other institutions of higher level of learning. The role of universities is not only providing and promoting access to higher education, but also offering quality education with excellent infrastructure, useful learning resources and student-centric support services. Quality and excellence are the new buzzwords and mantra of higher education institutions today. The challenge before higher education is offering globally attractive programmes and creating world-class environment of education.

The University of Mysore is one of the top twenty Universities in India considered for its outstanding contributions in the field of higher education, research and extension. Established in 1916 by the Maharaja of Mysore, the University has shown several milestones and achieved hallmarks in the higher education system in the country.

The University has been adopting several quality checks through measurable parameters for providing good education for intellectual development. This is done through consistent efforts made by the Internal Quality Assurance Cell (IQAC) of the University with its continuous involvement in the improvement of the system. The annual growth factors in terms of curriculum design, teaching, learning, research, consultancy, extension, student support services, infrastructure, learning resources, organization and management are analysed by the IQAC every year. The achievements of the faculty, students and collaborators of the University are evaluated through SWOT analysis and by subjecting the University's activities through an external Academic and Administrative Audit Committee (AAAC), in order to ensure unbiased assessment of the performance.

It is under this context, the report of IQAC is consolidated and presented for year from 2007-08. I take the privilege of presenting this report for further processing by the National Assessment and Accreditation Council (NAAC), Bangalore. The efforts made by the IQAC is commendable for the academic progression of the University. With all its credits and contributions, the University is marching ahead in providing quality education not only to the students of India, but also to students of fifty countries in the world as students of these countries are studying in PG Departments and Constituents and Affiliated Colleges of the University of Mysore. I congratulate the entire team of IQAC and the advisory committee for their commitment and continuous efforts to give quality input for improvement of higher education system.

(Prof. V.G. Talawar)

Vice-Chancellor

UNIVERSITY OF MYSORE

(Estd 1916)

(State University)

INTERNAL QUALITY ASSURANCE CELL ANNUAL QUALITY ASSURANCE REPORT (2007-2008)

PART A

Foundation

The University of Mysore is one of the oldest Universities in India. It came into existence on 27th July 1916 as the sixth University in the country and the very first in the erstwhile princely state of Mysore. Sri Krishnaraja Wodeyar-IV, the benevolent ruler of Mysore and Sri M. Visvesvaraya, Engineer-Statesman the then Dewan of Mysore were the pioneers in establishing this University.

Development and Diversification

During 1918-19, the University had 743 students apart from 735 collegiate High School students. The jurisdiction of the University was co-terminus with the borders of the State until 1956, when the districts of Coorg and South Kanara joined the then Mysore State with the reorganisation of the states after independence. With the founding of the Bangalore University in the year 1964, the educational institutions in the districts of Bangalore got transferred to Bangalore University and later in 1976 all affiliated colleges in Kolar and Tumkur districts also merged with Bangalore University.

Later the University of Mysore established two Post Graduate centres, one at Mangalore and another at Shimoga. These two Post Graduate centres got transformed into independent universities viz. Mangalore University and Kuvempu University in 1980 and 1987 respectively. The educational institutions of Dakshina Kannada and Kodagu got transferred to Mangalore University and those institutions under the jurisdiction of Chitradurga and Chikmagalore districts got transferred to Kuvempu University after their establishment.

Presently, the jurisdiction of the University of Mysore is restricted to four districts, viz., Mysore, Mandya, Hassan and Chamarajanagar. All the colleges and other institutions of higher education coming under the geographical territory of these four districts are affiliated to the University of Mysore. Manasagangotri - a picturesque suburban part of the Mysore city, large in size, a mansion at the center, overlooking a fine Kukkarahalli lake - is the main campus where all PG departments are located. It is now a center of learning comprising academic, research, extension and cultural activities. The Administrative offices including the offices of the Vice-Chancellor, the Registrar, the Registrar (Evaluation) and the Finance Officer are located in the Crawford Hall. . Apart from main campus at Manasagangotri, 2 PG centres have been established to cater to the rural youth. These include: Sir M. Vishweshwaraya PG Centre, Mandya and PG Centre, Hemagangotri Hassan. The University has 54 Post-graduate departments offering 65 PG Courses.

In addition, the University has four Constituent Colleges, 174 Affiliated Colleges, 6 PG Centers in Colleges and 55 Recognized Research Institutions. It also has University School of Design and International School of Information Management. Further, the University has many important centres of learning, training and research. These include: Educational Multimedia Research Centre (EMRC), Oriental Research Institute (ORI), UGC-Academic Staff College (ASC), Centre for Women Studies, Centre for Canadian Studies, Dr. Ambedkar Research and Extension Centre, Babu Jagajivan Ram Centre for Studies Research and Extension, NSS Training Centre. University-Industry Interaction Cell, Centre for Proficiency Development and Placement Services, Gandhian Studies, National Centre for History of Science. To promote and nurture academic and research activities, the University has many supportive units and facilities, such as - the University Science Instrumentation Centre, Central Library, Prasaranga – the publication division, Printing Press, College Development Council, University Employment Information and Guidance Bureau, International Centre, Office of the Director of Students Welfare, Special Cell for the development of Scheduled Castes and Scheduled Tribes, Statistical Cell, Cricket Stadium, Swimming Pool, Multipurpose Gymnasium, Oval Ground-

Athletic track, sports fields, two Health Centers and 17 hostels for men, women students and working women.

The University is adorned with monumental, palatial heritage buildings such as the Jayalaxmi Vilas Mansion, Leela Vihar Mansion, Oriental Research Institute, Crawford Hall, Maharaja's College, Union building, Yuvaraja's College and Maharaja's College Hostel reflecting the art, tradition and culture of the region.

Ever since its inception, the University has strived for excellence and innovative programmes that are useful to the society. These include: extension lectures in rural sector in the regional language by distinguished scholars, demonstrations, exhibitions, '**Operation Bharani**' - rural reconstruction involving students and teachers, popularizing literature through important publications, such as - Kannada Vishwakosha, Epigraphia Carnatica, History of Karnataka, Kannada-English Dictionary and so on. These programmes have attracted several philanthropists, institutions and Government agencies to donate and to support the University in its developmental and welfare schemes through institution of endowments, scholarships, fellowships, medals, cash prizes, and Chairs to promote, nurture and attain the academic excellence. Hence, today the University has 13 Endowment Chairs, 227 Gold medals, 205 Cash prizes and numerous scholarships and fellowships.

Another distinguishing feature of the University is the recording of its accomplishments since its inception in the form of an official publication titled "**Mysore University Gazette.**" This gazette apart from indexing the important achievements (chronicles) and the development of the University, contain provisions of the Rules, Regulations, Ordinances and such other orders issued from time to time. The University has entered into MOU (Memoranda of Understanding) with many institutions and organizations in India and abroad.

The University has celebrated its Silver Jubilee in 1941, Golden Jubilee in 1966-67, Diamond Jubilee in 1976 and Platinum Jubilee in 1991-93. To mark these

celebrations several special programmes were organized. These include: national and international level conferences, seminars, workshops, exhibitions, demonstrations. Golden Jubilee fund and Platinum Jubilee fund were also instituted. Further, many new and innovative teaching and research programmes were introduced as part of the celebrations.

The University of Mysore has many unique and notable features. To name a few: Oriental Research Institute containing nearly 70000 manuscripts, Institute of Development Studies offering inter-disciplinary courses, UGC's National Centre for History of Science, Linkages with many reputed institutions in India and abroad, a library with a huge collection of more than 6 lakh books, an ISO-9001-2000 Certified centre for Career Oriented Programmes in IT (CIST) and the University School of Design. The University believes in quick declaration of results, transparent systems of admission and management, rewarding exemplary faculty, felicitating retired staff and instituting medals and prizes for meritorious students. The University has campus-wide networking, single-window procedure for overseas students' admission, UGC's Infonet service with remote access facility. Many departments have UGC-SAP/DRS status, DST-FIST supported centres, Ford Foundation's Digital Library project, DANIDA assisted R&D projects, DST assisted Crystal research project, Molecular Genetics projects, projects funded by numerous National and International Funding agencies, UGC sponsored Centre for Remedial coaching, facilities for co-curricular and extra-curricular activities, auditoria and halls for meetings, and support services. The University also brings out a quarterly newsletter.

After its fruitful and meaningful existence for over 92 years, the University of Mysore is proud of having its thousands of alumni spread all over the globe, as teachers, scientists, lawyers, engineers, doctors, administrators, social workers, statesmen, and so on, serving the mankind and contributing their might to the enrichment of the culture and progress of the country.

Functions and plans of IQAC

University of Mysore has established the IQAC in 2001, immediately after first NAAC assessment and accreditation. It was done based on the guidelines of the UGC and the NAAC to monitor, improve and ensure quality of the entire academic and administrative programmes of the University. The IQAC has evolved appropriate mechanism and procedure to ensure efficient, effective and progressive performance of academic and administrative tasks; ensuring relevance and quality of the academic programmes; maximizing teaching, learning, research, extension and consultancy opportunities; credibility of evaluation procedures, adequacy and maintenance of support structure and services.

The University has adopted the following processes for internal quality checks:

- Evaluation of teachers by students at the end of every semester.
- Self appraisal reports submitted by teachers every year.
- Organisation of workshops at regular intervals on Quality Assurance and Management to sensitize the faculty.
- Students' feedback on various academic programmes to understand their impact and usefulness.

The following advisory committee as per the guidelines of the NAAC was constituted for this purpose

Sl.No.	Name and Address of the IQAC members	Sl.No.	Name and Address of the IQAC members
1.	Prof . J. Shashidhara Prasad Chairman, Vicie-Chancellor, University of Mysore Prof. Ishwar Bhat Prof. T.C. Shivashankara Murthy	2.	Prof . D. Sriyadevaraj Urs , Director, PMEB, and Co-ordinator, IQAC, University of Mysore, Mysore
3.	Sri Guru, Syndicate Member	4.	Prof. K.S. Rangappa DOS in Chemistry
5.	Sri. B.J. Hosmath Registrar,	6.	Sri A.B. Ibrahim Registrar (Evaluation)
7.	Prof. S. Indumathi DOS in Economics and Cooperation	8.	Prof. Bharathi P. Salimath DOS in Applied Botany and Biotechnology

Sl.No.	Name and Address of the IQAC members	Sl.No.	Name and Address of the IQAC members
9.	Prof. K.V. Aiahanna Institute of Development Studies	10.	Prof. S. Kiran Kumar DOS in Psychology
11.	Prof. M.S. Lalithamma DOS in Education	12.	Prof. Kersi Daroga Director, School of Design
13.	Prof. Aravinda Malaggati, KIKS	14.	Prof. A. Balasubramanyam Director, EMMRC
15.	Prof. Mewa Singh Professor, DOS in Psychology	16.	Dr. B.P. R. Narasimha Rao Director, Outreach Programme

19.	Sri. D. Sudhanva Managing Director Excel Soft Technology (Pvt) Ltd		

The IQAC met periodically and reviewed the progress of the University and its quality enhancement based on the criteria fixed by the NAAC for self evaluation and suggested actions for further strengthening and sustaining the quality. The quality of the academic programmes is ensured through constant monitoring and supervision by appropriate committees as detailed below:

- Every department has a programme Committee and a Course Co-ordinator, which meets at least three times in a semester to review the P.G. programmes offered.
- Ph.D. programmes are monitored by Doctoral Committees. For every Ph.D. Scholar, a separate Doctoral Committee is constituted. The Doctoral Committee meets once in every six months and monitors the progress of the scholar.
- The curriculum is revised once in two years by the Board of Studies constituted as per provisions under the University Statutes.
- The University ensures the quality of administration by establishing a well defined hierarchical administrative structure for a smooth flow of direction and execution of various administrative decisions with necessary internal monitoring and checks.

Formats with Quality Parameters

The University, through a well structured format, collects the necessary primary data and information from all the Departments and other Sections of the University on programmes offered, students enrolment, faculty strength, infrastructure, the system of evaluation, continuous assessment, students' result in examinations, placement and further progression of students in higher education etc.

Teachers' Self-Appraisal Form

A Self-Appraisal Form which was prepared in 1998 was modified in subsequent years - 2001, and 2006 - incorporating new UGC norms and NAAC Criteria and distributed to all faculty members in order to collect information from each teacher regarding their qualification, experience, research publications, research projects, and funds mobilized by the teacher, conferences attended and papers presented, foreign academic visits, fellowships obtained, countries visited, conferences organized, membership of academic societies, etc. This data provided by teachers formed another major component to evaluate the performances of teachers and their capability matrix under the context of their teaching, learning, research and development, and extension activities.

Peer Assessment of Faculty

Teachers' performance and their contribution to the development of respective departments in particular and University in general, their association with various activities of the University etc. were got assessed by the peer team informally.

Students' Feedback

Students' feedback is an essential component of the assessment of academic institutions. It provides an opportunity to elicit the view of the students regarding modern tools and techniques, facilities available in departments and teaching & learning environment. Questions regarding teachers' regularity in conducting classes, providing up-to-date information on the subject, their orientation to the assigned part of the curriculum, style and efficiency of teaching, clarity in imparting information, availability

of the teacher before and after the class hours for consultation, general ability of the teachers, their capabilities in motivating students for progression, etc are included in such exercises. Students' feedback is also obtained on campus facilities such as cleanliness and ambiance in campus, security in the campus, library facility, research facility, general student amenities such as canteen facility, sports facility, transport facility, medical facility, overall impression etc. Their opinion about the role of administrators and system of administration, delays and denials of justice etc is also sought. Students are asked to give their feedback in an abstract manner also. This is a good initiative for introspection from its stakeholders and beneficiaries. The AAAC evaluate these forms and suggests improvement possibilities.

Parents' feedback on campus facilities

The parents' feedback on their wards is normally collected on day-to-day basis by concerned teachers offering the course(s). This feedback includes their opinion about campus facilities, discipline on the campus, facilities provided by the university, general reputation, campus atmosphere, placement record, location of university, overall rating, etc.

Academic and Administrative Audit Committee (AAAC)

Through IQAC, the University has carried out Academic and Administrative Audit by external Peers after Assessment and Accreditation process as insisted by the National Assessment and Accreditation Council (NAAC).

The major objectives of IQAC are to develop a system for conscious, consistent and catalytic action to ensure the quality of the academic and administrative performance of the institution. The IQAC of the University of Mysore has chalked out various development plans to monitor its progress and evaluate the systems through Academic and Administrative Audits with external experts.

The IQAC has carried out SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis through AAAC to see the paths selected by the department units and find out the progression towards achieving the same. University of Mysore strives to achieve academic excellence in providing quality education and has become one of the premier institutions in the country. Under these contexts, the following SWOT analysis was attempted.

- Strengths: attributes of the people or an institution/unit that are helpful to achieving excellence in providing quality education.
- Weaknesses: attributes of the people or institution/unit company that are harmful to achieving excellence in providing quality education.
- Opportunities: external conditions are helpful to achieving the objective of providing quality education.
- Threats: external conditions which could do damage to the objective of achieving excellence in providing quality education

The ultimate objectives of AAAC were to evaluate the performance of the University and to identify the issues that are to be attended to in order to improve the quality of teaching, learning, research, consultancy and extension activities.

The major objectives of AAAC are as follows:

- To understand the existing system and assess the strengths and weaknesses of the Departments and Administrative Units and to suggest the methods for improvement and for overcoming the weaknesses in teaching, learning and evaluation, student support and progression;
- To ascertain whether the departments/centres are functioning efficiently and effectively with proven records of capacity building, research projects, publications and extension activities over a period of time or not;
- To identify the bottlenecks in the existing administrative mechanisms and to identify the opportunities for academic reforms, administrative reforms and

examination reforms for a long term progression leading to excellence and to face the challenges of internationalisation in higher education;

- To evaluate the optimum utilization of financial and other resources, issues concerning with leadership and organization, functional autonomy and financial management; and
- To suggest appropriate methods for improvement and to impart quality education.

The following committee was constituted for this purpose:

Sl. No.	Name and Address of the AAAC members	Sl. No.	Name and Address of the AAAC members
1.	Prof. A. Gnanam Former Director of NAAC, Bangalore	2.	Prof. C. Thangamuthu Vice-Chancellor, Bharathidasan University, Tiruchanapalli
3.	Prof. A. Jayagovind Vice-Chancellor National Law School of India University, Bangalore	4.	Prof. S. Parasuraman Director, Tata Institute of Social Sciences, Mumbai
5.	Prof. M.S.R. Rao Indian Institute of Science, Bangalore	6.	Prof. M.R. Narayana Indian Institute of Science, Bangalore

The above committee with the help of the IQAC initiated the process from the academic departments and administrative sections by perusing and analyzing annual performance of all the Departments, units and facilities. This exercise was carried out in all departments and sections to improve their performances both individually and collectively.

In each department, the faculty is allowed to present their departmental performances. The details of their programs, accomplishments, achievements of faculty and the perspective plans for future as per the criterion-wise indicators given by the NAAC were analyzed. The faculty was also asked not only to give their opinion about the relevance of the existing programs but also to give their feedback about the quality of teaching, learning, evaluation and placements.

The AAAC has visited the campus periodically and monitored the laboratories, museums, student's amenities, halls of residence and facilities made available to its

stakeholders and assessed the feedback on the action taken report under seven criteria of NAAC.

The AAAC has also visited the the laboratories, museums, hostels, student's amenities, halls of residence and facilities made available to its stakeholders and assessed the feedback on the action taken report under seven criteria of NAAC. In its report submitted on 13 August 2007, the committee expressed its appreciation about the overall development and unique initiatives. The Committee also have made specific recommendations with regard to Governance measures, improvements of communication skills and English language, physical infrastructure and faculty evaluation.

PART-B

1. *Activities reflecting the goals and objectives of the Institution*

The Vision and Mission statements of the University as incorporated by the Founding Fathers are:

- To impart education – literary, artistic and scientific, agricultural, commercial and professional,
- For furthering original research,
- For promoting the state of literature, art, philosophy, history, medicine, science and other branches of useful knowledge, and
- For imparting physical and moral training.

The University has been promoting the growth of human resources since its inception with pride, and has been striving to achieve excellence in all direction. Many faculty members have received both national and international recognition in the form of awards, fellowships and membership of learned societies. To mention a few: Prof. S. Chandrashekar – Fellow of the Royal Society, Prof. K. V. Puttappa – Gnanapeetha Award and Padma Bhushan, Prof. U. R. Anantha Murthy – Padma Bhushan and Gnanapeeth Award, and Prof. C. D. Narasimhaiah – Padma Bhushan. It is worth mentioning here that Dr. S. Radhakrishnan who served this University as distinguished Professor of Philosophy rose to the status the President of India.

Motto of the University

The significance of the mission is reflected in the functioning of the University as enshrined in its EMBLEM. The university emblem consists of “Gandabherunda” a double-headed mythic bird flanked by two sharabhas which are animals. This symbol of bird and animals represents watchfulness, virtue, unity, courage, liberality and truth. The

motto of the university, “*Na Hi Jnanena Sadrisham*” which means “*There is nothing comparable to knowledge*” is depicted in the emblem. The emblem also contains “*Satyamevaddharmayaham*” which means “*I always uphold the truth*”.

Functions of the University

The functions and responsibilities of the University are defined clearly in the Karnataka State Universities Act 2000. They cover academic courses to be imparted, research activities to be carried out, institution of teaching positions, visiting professors, establishment of chairs and special arrangement for Scheduled Castes and Scheduled Tribes and other weaker sections of the society. The functions also include: extra-mural teaching, physical and military teaching, encouraging students securing activities, promotion of sports, athletic clubs and extra-curricular activities. The university has an affiliation system whereby it can affiliate colleges within its administrative jurisdiction—presently covering four districts of Mysore, Mandya, Chamarajanagar and Hassan. The university also has provisions to recognize private, Central Government and State Government institutes for research purposes even outside the university jurisdiction.

The major considerations of the University are to promote:

- Intellectualism
- Access to the disadvantaged
- Equity to the local people
- Self-development
- Community and national development
- Ecology and environment
- Value orientation
- Employment
- Introduction of recent technology like Information Technology
- Introduction of programs that meet other global demands in higher education
- Excellence in higher education, empowerment through knowledge
- Inclusive growth for socio-economic change and sustainable development

The materialization of the goals into programmes are seen in the establishment of post-graduate main campus at Manasagangothri, four Constituent Colleges for promotion of studies in arts, science, commerce, management, education, humanities, fine arts and law. The university also has established three Post-Graduate centers in all the other three district centers, offering post-graduate courses to reach higher education to the unreached. The university also has several research and training centers including Oriental Research Institute and Folklore and Archaeological Museum which are the jewels on the crown.

The achievement of the goals and objectives of the university are being realized giving due importance to the action plan and the programmes. It is to integrate the larger interest of the individuals, institutions, nation, and the globe. The following are the recent initiatives/attempted/special programmes organised in line with the Mission of the University:

Academic and Administrative Audit Committee

The Committee reviewed the performance of the various Post-Graduate Departments/Post-Graduate Centres, Hassan & Mandya in terms of Teaching, Research and Extension and also the work pertaining to administrative units. The Chairman of the Committee handed over the report to the University on 13-08-2007. The same was placed before the University Syndicate held on 19-09-2007. These reports were submitted to His Excellency the Chancellor of Universities in Karnataka and the University has been asked to implement the recommendations of the Audit Committee for further development of the University. This unique exercise carried out by the University was also brought to the notice of MHRD, UGC and also the State Government.

China visit

The University of Mysore delegation under the leadership of the Hon'ble Vice-Chancellor had visited China in connection with the collaborative arrangements between University of Mysore and Huang Huai University, China during the period from 28th March 2007 to 9th April 2007. The following members were part of the delegation.

1. Prof.J.Shashidhara Prasad, Vice-Chancellor, UoM, Mysore.
2. Dr.S.Gurumurthy, Private Secretary to Chancellor and Governor of Karnataka.
3. Sri.R.Guru, Member of the Syndicate, UoM, Mysore.
4. Prof.D.Shrijay Devaraj Urs, Director, PMEB, UoM, Mysore.

5. Prof.Hemanth Kumar, Department of Studies in Computer Science, MGM.

Visit to Sathya Sai Institution

The University had arranged the programme of visiting Sathya Sai Institution of Higher Learning, a deemed University from 07-07-2007 and the team led by the Vice-Chancellor included members of the Academic & Administrative Audit Committee, Syndicate, Senior Professors and Officers of the University. This visit was to familiarize themselves with the best practices followed in higher education.

Academic Exchange Programme

- Discussions were held with Mr.Osama A Beri, Ambassador, Republic of Sudan, New Delhi regarding the Academic Exchange Programme on 21-4-2007.
- Delegates from South Asian Studies Network, Lund University, Sweden were here on 29-11-2007 to discuss a Joint Venture and Academic Exchange Programme.

Special Programs organized

- On 28-02-2008 the occasion of science day celebrations, Prof V K Gaur, Scientist, Indian Institute of Astrophysics delivered a lecture on Evolution of planet earth.

2. *New academic programmes initiated (UG and PG)*

Academic Changes

The following new courses have been started during the year:

I Post-Graduate Courses:

- 1) M.A. in Comparative Literature and Translation Studies
- 2) M.A. in Economics (5 year Integrated)
- 3) M.Sc.in Organic Chemistry
- 4) M.Sc. in Electronic Media
- 5) M.Tech. in Information System & Management
- 6) M.Phil. in English
- 7) M.Phil. in Economics
- 8) M.Phil. in History
- 9) M.Phil. in Hindi
- 10) M.Phil. in Middle Eastern Studies
- 11) M.Phil. in Forensic Science
- 12) M.Phil. in Correctional Administration
- 13) M.Phil. in Geography

14) M.Phil. in Zoology

II Diploma:

- 1) Rural Reconstruction and Development
- 2) Decentralization of Planning and Panchayat Raj Institute
- 3) Human Development
- 4) Industrial Relations
- 5) Co-operative Management

III Certificate Course:

- 1) Persian
- 2) Arabic

3. Innovations in Curricular Design and Transaction

- Choice Based Credit System has been introduced in all PG courses giving ample opportunity for the students to undertake cross-border studies
- The curricula and syllabi of the courses have been restructured to meet the demands of the society at all levels
- Curricula and syllabi have been designed based on the feedback of the stakeholders and reckoning the models of national and international curricula
- ICT subjects in the curricula of the courses are incorporated
- Providing choice through elective papers, Inter-departmental and Intra-departmental Courses
- Incorporating Seminars/Assignments in the curriculum
- Introduction of self-learning component in all papers of all courses
- Contents encouraging participation in moral, ethical and cultural values in the young minds are included in the curriculum
- Students are evaluated through CIA (Continuous Internal Assessments), quiz programme, seminar / assignment

4. Inter-Disciplinary Programmes started

University of Mysore has introduced a few inter-disciplinary and multi-disciplinary courses, which have provided opportunities to the students to acquire upto date knowledge in the millennium. As per the existing regulations, the Choice Based

System is expected to offer enormous choice in the career planning of students. It is a flexible system for innovating new ideas, methods and practices for improving the knowledge of students in various subjects.

The CBS is also expected to offer considerable freedom and flexibility for the faculty to design and re-design innovative courses and programmes to utilize the human and physical resources optimally.

5. Examination reforms implemented

I. Evaluation Process and Reforms:

- Central Evaluation system
- OMR evaluation for Entrance Examination of Admissions
- Computerization of Examination section.
- On-line declaration of Examination results.
- Transparency in the evaluation system
- Introduction of providing photocopies of the valued answer scripts of Semester Examinations.
- Re-appearance for improvement is allowed for pending courses.
- Conduct of supplementary examinations for arrear papers, within a month.
- Special Supplementary Examination provisions to help the students to join the ensuing semester programme without any delay.

II Quality Initiatives in Evaluation

- Double valuation of answer scripts for PG courses
- Provision for challenge valuation
- Transparency in examination system through the provision of seeing the papers totaling marks, third valuation, challenge valuation
- Provision of scheme of valuation for valuers
- Feedback on pattern and standard of the questions from the examiners
- Timely publication of results.

6. Candidates qualified: NET/SLET/GATE etc

Total number of students of the University who have passed the following Competitive Examinations in the last five years:

a) UGC – CSIR (NET)	:	62
b) UGC – SLET	:	----
c) GATE	:	3
d) Indian Civil Services	:	26

3. Other State Services like KES:		215

7. Initiative towards Faculty Development Programme

The UGC-Academic Staff College has conducted the following Faculty Development Programmes during this year.

Orientation and Refresher Courses

A total number of 130 participants benefited from four Orientation Programmes conducted during the year.

During the year, 08 Refresher Courses were conducted in Physical Education, Commerce, Human Rights, Economics, Indian Literature, Library & Information Science, History & Guidance and Counseling and about 250 teachers participated in these Refresher Courses.

Other Programmes Organised

1. Two days Orientation Programme was organized for High School Teachers, sponsored by Committee for Development of Science in Schools on 20-21, July 2007. 28 participants had attended this programme.
2. One day Seminar on “The Relevance of Teachers Training in Higher Education” was organized on the occasion of Teachers Day Celebration on 5th September 2007. 61 participants had attended this seminar.
3. One day Orientation Programme was organised for High School Teachers, sponsored by Committee for Development of Science in Schools on 3rd March 2008. 22 participants had attended this programme.
4. Three Orientation Programmes/Workshops were conducted for research scholars and young faculty members on “Research Methods and Techniques”.

In addition, Faculty Development Programme on “Emerging Trends & Innovations in Retail Banking” organized by the Department of Banking Technology and Placement Cell in Association with TCS, Chennai on 08.08.2010.

8. Total number of seminars / workshops conducted

61 Seminars/Workshops and other programmes have been conducted this year.

Programmes Organised

- 1) Inaugural function of Online Programme for UNICEF Employees –MA (Development Studies) was held on Friday the October 19, 2007. Prof. B.K. Chandrashekar, Chairman, Karnataka Legislative Council, Bangalore inaugurated and Prof. V.K. Natraj, Former Director, MIDS., Chennai, was Chief Guest. Prof.J. Shashidhara Prasad, Hon’ble Vice-Chancellor, UoM., Mysore, presided.
- 2) Dos in Anthropology organized a National Conference on Medical Anthropology & Health Sciences on November 29–30, 2007 in collaboration with Society for Indian Medical Anthropology, Mysore.
- 3) Dos in Anthropology organized a National Seminar on Indigenous Knowledge Systems in India on 4th and 5th October 2007 in collaboration with Anthropological Survey of India, Kolkatta and Garden City College, Bangalore

- 4) Dos in Anthropology organized a One Day National Seminar on Human Trafficking on 1st December 2007 in collaboration with Odanadi Seva Samsthe, Mysore.

The following lectures were organized on 5-10-2007 by DoS in Christianity:

- 5) Necessity of imbibing Spiritual Values together with Academic Pursuits: by Swami Nithyasthanananda Maharaja, President, Ramakrishna Ashram
- 6) Forming into Law-abiding Citizens: by Sri.Bhaskar Rao, IPS Police Commissioner.

The following lectures were organized by DoS in Economics:

- 7) An inaugural address was delivered by Prof. Vinod Vyasulu on “Budget Analysis in Indian Economy” on October 9, 2007
- 8) A Lecture was delivered by Prof. M.S.Venugopal on “Dynamics of Leadership in Economic Systems” on December 04, 2007
- 9) An Interactive Session was conducted by Dr. Parashiva Murthy on “Personality Development Skills” on December 6, 2007
- 10) A Lecture was delivered by Prof. Ranganath Bharadvaj on “Structural Methodology for Social Science Research” on February 1, 2008
- 11) Budget Analysis by Prof. B.S. Sreekantaradhya “Union and State Budgets 2008-09” on March 12, 2008.
- 12) Lecture delivered by Prof. Malathi and Group on “Value Education for Health, Happiness and Harmony – Through Kayakalpa Yoga” on March 20, 2008.
- 13) The Department of studies in Hindi organized a 5-day National level Workshop on NTS Material Productions in collaboration with Central Institute of Indian Languages, Manasagnagotri, Mysore from 7th to 11th April 2007.
- 14) Seminar on the “Unification of Karnataka - Problems and Prospects” was organized by the department of Studies in History on 11th and 12th May-2007.
- 15) A Series of Special Lectures on Swami Vivekananda was organized in the Department of Studies in Philosophy and the Special Lectures were delivered by Dr.R.Balasubramanyam, 5th Visiting Professor of Swami Vivekananda Chair and every month 04 hrs of Series of Special Lectures were held from Jan 20th 2007 to Jan 20th 2008.

- 16) The DoS in Political Science organized a couple of lectures by eminent scholars such as Maj.Gen. Sudhir Vombatkere, Prof.K.Raghavendra Rao and others on various issues such as Communal Question, Secularism, Caste and Class in India, World Bank etc.
- 17) The DoS in Urdu conducted a Workshop on Urdu Shairi Hasrath Ta Hal on 8th, 9th and 10th March 2008.
- 18) Dos in Law organized a National workshop on the Rights of Persons with Disability, Old age and Ill Health with sponsorship from the National Human Rights Commission on 28th and 29th of March 2008.
- 19) The Department has brought out Mysore University Law Journal consisting of 23 Research Articles and the volume of the journal is about 300 pages
- 20) The DoS in Applied Botany organized a National Seminar on “Molecular Plant Pathology and Biotechnology for Sustainable Crop Production” was organized by the department during November 28-29, 2007. Around 100 delegates from various Universities and Research Institutions participated in the Seminar. Dr. Seema Wahab, Advisor, DBT, New Delhi, inaugurated the Seminar on 28th November 2007 at the BIMS auditorium in the University campus and Prof. P.Balasubramanian, Head, Dept of Plant Biotechnology, Tamil Nadu Agricultural University, Coimbtore delivered the keynote address.
- 21) The DoS in Botany organized a Regional workshop on "Techniques in Molecular Biology" in collaboration with Rajiv Gandhi Chair, Cochin University Science and Technology, Kerala was organised from 26-28th March 2008. About 40 Post-Graduate students of life sciences attended the workshop.
- 22) The National Seminar on Functional foods for health promotion and disease prevention was organized by DOS in FSN in collaboration with University of Mysore, under SAP, UGC. Feb 14th – 15th, 2008. 200- 250 delegates participated in the proceedings.
- 23) The DoS in Geography organized a one day workshop on 16th September 2007 - “The present trends of Geography in Germany and in India”

- 24) The DoS in Geology organised lecture on “ Ground water Prospecting zones and water harvesting“ by Dr. T.N.Venu Gopal, Deputy Director, Dept. of Mines and Geology, Govt. of Karnataka, Bangalore
- 25) The DoS in Geology organized a Special Lecture on “Advanced Sequence stratigraphy“ by Dr.R.Nagendra, Dept. of Geology, Anna University, Chennai
“Advanced Marine sedimentary environments“ by Prof. S.Sathynarayana, Mineralogical Society of India, Dept. of Studies in Geology, Manasagangotri, Mysore.
- 26) The DoS in Library and Information Science organized an Informatics Endowment Lecture Series was organised on “Text Mining for Knowledge Discovery from Biomedical digital libraries.” by Prof. Vijay V Raghavan, Distinguished Professor of Computer Science, The Center for Advanced Computer Studies, Univ. of Louisiana, Lafayette, USA.

The following programmes were organized in the DoS in Physics:

- 27) A Three day Lecture-Workshop on Statistical Thermodynamics on Sept 7-9, 2007.
- 28) The 52nd DAE Solid State Physics Symposium from 27-31 Dec, 2007.
- 29) A Three day Lecture-Workshop on Novel Materials from Feb 22-24, 2008.
- 30) One day Seminar on Nano Materials on March 15, 2008
- 31) The DoS in Zoology organized a Fifth Drosophila meeting under Unit on Evolution and Genetics (DST project) was organized on 28th and 29th March, 2008 & several special lectures were arranged in this programme.
- 32) The DoS in Postgraduate Center, Hemangotri, Hassan organized one day seminar on “The English Language Corridor between Schools and Colleges” was organized on 04-04-2007.

The following programmes were organized in Dr. B.R. Ambedkar Research and Extension Centre:

	Date	Name of the Programme	Name of the Sponsor of the Programme
33)	14-04-2007	Dr.B.R.Ambedkar's 116 th Birth Anniversary Celebrations	AREC,MGM and University SC-ST Cell, Mysore
34)	31-07-2007	Satyashodhada Yodha -	AREC, MGM

		Ramdas	
35)	14-08-2007	Dalit Welfare Administration	AREC, MGM and Indian Institute of Public Administration, Mysore Local Branch, Mysore
36)	14-10-2007	Deeksha Dinacharane	AREC, MGM
37)	25-10-2007	Educational Empowerment of the Marginalised People	AREC, MGM and P.G.Centre, Tubinakere, Mandya
38)	12-11-2007	Research Scholar Meeting	AREC, MGM
39)	16-11-2007	Belakinattha Buddhanadige	AREC, MGM and Mysore Central Prison, Mysore
40)	26-11-2007	Buddha Nadige Marali Manege Anniversary Programme	AREC, MGM
41)	06-12-2007	Dr. Babasaheb Ambedkar 51 st Mahaparinirvan Day	AREC, MGM
42)	28-12-2007	Special Lecture: Dalit Literature Emancipates all	AREC, MGM
43)	26-01-2008	Republic Day Celebrations	AREC, MGM
44)	17, 18 & 19 March 2008	National Seminar of Women Empowerment	AREC, MGM

The following programmes were organized in the DoS in Centre for Information Science and Technology.

- 45) “Functional English” by Mr. Ramasesh.C. P, Deputy Librarian, University Library, MGM on 2nd July 2007.
- 46) “Quality Management System” by Mr. Ramasesh. C.P., Deputy Librarian, University Library, MGM on 3rd July 2007.
- 47) “Introduction to LINUX” by Mr. Deepak. S, Srirangapatna on 3rd July 2007.
- 48) “Introduction to LINUX” by Mr. Yogananda. C. S, Prof & Head, Dept. of Mathematics, SJCE, Mysore on 5th July 2007.
- 49) “Prospects of IT & its applications” by Prof. Balasubramanian. A. EMMRC, MGM, on 5th July 2007.
- 50) “Personality Development” by Mr. Chethanram, Mysore on 6th July 2007.
- 51) “Java Database JDBC” by Mr. Sandeep. K. Mysore on 7th July 2007.
- 52) “LINUX” by Mr. Yogananda. C. S, Prof & Head, Dept. of Mathematics, SJCE, Mysore on 4th January 2008.

The following programmes were organized in the Department of Oriental Research Institute:

- 53) Celebrated the 'Manuscript Day & Exhibition' on 26th February 2008 on behalf of National Mission for Manuscripts, New Delhi.
- 54) Special Lecture Series on "Modern and Traditional Indian Sciences" was organized by the Institute on 4-9-2007 & 6-10-2007 at Rani Bahaddur Auditorium, Department of Studies in Business Administration and on 5-9-2007 at Einstein Lecture Hall, Department of Studies in Physics, Manasagangothri, Mysore. The following lectures were delivered in the series :
- "Development of Atomic Energy in India: Perspective" by Dr. M.R. Srinivasan, Former Chairman, Atomic Energy Commission.
 - "Scientific Manuscripts – Need for Investigation" by Dr. K. Ramasubramanyan, Assistant Professor, Centre for Science and Technology in Sanskrit, IIT, Powai.
 - "New Knowledge and the New Vision: Lessons from the Colonial Past" by Prof. Deepak Kumar, Department of History of Science and Education, JNU, New Delhi.
 - "Foundational Ideas of Ayurveda: Some Reflections" by Prof. B.V. Subbarayappa, Former President, IUH&PS, UNESCO.
 - "Aryabhatiyam and Its Impact on Mathematical Astronomy in India" by Dr. M.S. Sriram, Prof & Head, Department of Theoretical Physics, University of Madras, Chennai.
 - "Indian Spiritual Pursuit and Modern Science: Some Reflections" by Dr. D.V. Gopinath, Retd. Scientist, BARC, Bombay.

The following programmes were organized in the Department of Centre for Women's Studies:

- 55) Legal Awareness programme was organized at Shakthidhama, Mysore on 10th April 2007.
- 56) A Seminar on "Women in Higher Education" was organized in collaboration with Department of Education, Manasagangothri, Mysore on 28th April 2007.
- 57) Gender Sensitization programme was organised at the following Colleges on the dates mentioned against their names :

- Somani College, Mysore - 17th August 2007.
- Sharada Vilas College, Mysore - 30th August 2007
- Banjara Education Society, Chamarajanagar - 1st September 2007
- Mahajana College, Mysore - 13th September 2007
- Govt. First Grade Women's College, Mandya - 18th September 2007

- 58) A Seminar on Sexual harassment at work place organized jointly with Committee on Enquiry into Sexual harassment at Work place on 16th October 2007.
- 59) The Centre Celebrated the International Women's Day on 8th March 2008.
- 60) The DoS in Centre for Outreach Programmes organized a National Seminar on "Changing Societal demands and adopting teaching-learning systems in higher education to reach out" was organised from Sep 26th to 28th 2007, where more than eighty delegates participated in the deliberations.
- 61) The Maharaja's College organized a seminar on "Samskruthi chintakara sahasavadalli" on Basavanna, Gandhi, Ambedkar, Lohia and Kuvempu was organized on 29-1-2008 and 30-1-2008. The Programme was inaugurated by Jnanapeeth awardee Dr. U.R. Ananthamurthy and presided over by Dr. P. Ishwar Bhatt, Acting Vice-Chancellor. Prof.Vivek Rai, Vice-Chancellor, Karnataka State Open University, gave the valedictory address and the function was presided over by Sri Krishna, Former Speaker, Legislative Assembly. In this connection five symposia were held.

9. **Research Projects**

Grants sanctioned to various Departments of Studies or to various Investigators for Research Projects during 2007-2008:

Sl. No	Title of the Research Project	Sponsoring Agency	Name of the Investigators & Department	Amount of the Project Rs.	Grants Sanctioned during 2007-08
1.	Bioprospecting of medicinal plants for antiangiogenic activity using promoter reporter gene analysis targeting antiangiogenic genes.	DST, New Delhi	Smt. Sheela M.L, DOS in Applied Botany, MGM	11,40,000/-	6,05,000/-
2.	Bioactives from the endophytes of medicinal plants	DST, New Delhi	Dr. M.S.Nalini, DOS in Botany, MGM	14,28,000/-	5,60,000/-
3.	Influence stress on	UGC,	Dr.H.N.Yajurvedi,	6,23,100/-	3,37,600/-

	ovarian follicular development and reproductive life span in albino rat	New Delhi	DOS in Zoology, MGM		
4.	Biomining for LTP Activity in plants and Microbes and Utilization of LTPs for induction of resistance against downy mildew disease in pearl millet	UGC, New Delhi	Dr. K.N.Amrutesh, DOS in Botany, MGM	7,06,100/-	5,00,600/-
5.	Petrology and fluid inclusion studies of alkaline plutons from Kodagu, South India	UGC, New Delhi	Dr.K.G.Ashamanjari, DOS Geology, MGM	7,85,100/-	5,39,600/-
6.	Production of Human Recombinant VEFT 165 in Eukaryotic Expression System	UGC, New Delhi	Dr.Bharathi P.Salimath, DOS in Applied Botany, MGM	9,12,600/-	5,64,600/-
7.	Metamorphic evolution of C-type magmatic charnockites and supracrustal units around Dindigul south India - its significance to Indo-Antarctic-Madagascar connection	UGC, New Delhi	Dr.Srikantappa, DOS Geology, MGM	8,00,100/-	5,92,100/-
8.	Efficient and Robust face recognition system based on subspace analysis methods	UGC, New Delhi	Dr.G.Hemanth Kumar, DOS in Computer Science, MGM	7,67,100/-	6,14,100/-
9.	Development of newer methods for quantification of antioxidant activity Application of developed methods for the screening of free radical scavenging activity of antioxidants	DST, New Delhi	Dr. P.Nagaraja, DOS in Chemistry MGM	15,20,530/-	11,00,000/-
10	Technothermal evolution and monazite geochronology of Sargur group of rocks and Biligiriranga granulites, Dharwar craton	DST, New Delhi	Dr.Srikantappa, DOS Geology, MGM	12,72,000/-	4,00,900/-
11	Characterization of buffalo colostrum glycoconjugates to determine its biological activity to use as a neonatal food additive	UGC, New Delhi	Dr. H.S.Aparna, DOS in Applied Botany, MGM	9,42,600/-	4,24,402/-
12	Govt. of India Adult Education	Govt. of Andhra Pradesh	Dr.Y.N.Sridhar, DOS in Education, MGM	1,50,000/-	1,25,000/-

		Govt. of Tamilnadu		1,25,000/-	75,000/-
13	Mineralogy and fluid inclusion study of rare-element pegmatities and granites in the Dharwad Craton, India	DST, New Delhi	Dr. M.N.Malathi, DOS Geology, MGM	12,06,000/-	4,52,000/-
14	Structural elucidation and exploitation antimicrobial agents from plant origin against phytopathogens	DST, New Delhi	Dr.S.Sathish, Dept. of Microbiology, MGM	13,02,000/-	8,60,000/-
15	Sujala project and its impact on landless labourers, marginal farmers and socially marginalized groups in Chitradurg district	Govt. of Karnataka, Bangalore	Dr.T.M. Mahesh, IDS, MGM	6,72,000/-	2,67,699/-
16	Geotechnical investigations for tunnel alignment between KRS reservoir and Huyilalukere, near Mysore city for transporting water under gravity drainage	MUDA Mysore	Prof.A.Balasubramanian, Dr.G.N.Gopalakrishna DOS Geology, MGM	4,50,000/-	3,75,000/-
17	Developing & Evaluation of a Model of a learner-specific computer Based Teaching/Self Learning Aid for English	ICSSR, New Delhi	Dr.T.K.Gajanana, School of Foreign Languages, Dept. of English, MGM	2,77,350/-	1,03,200/-
18	Novel Elicitors of Microbial Origin for the Immunization of Pearl Millet against Downy Mildew Disease	DST, New Delhi	Dr. K.N.Amrutesh DOS in Botany	7,02,000/-	4,00,000/-
19	Cardio Protective role of HDL-Associated Paraoxonare: Effect of Modification of Paraxosonare on its function (Women Society A)	DST, New Delhi	Dr.Elizabeth A.Frank, DOS in Biochemistry, MGM	14,28,000/-	5,40,000/-
20	Lie algebra & Lie growth Bundles and its application	DST, New Delhi	Dr.B.N.Kiranagi (Retd.), DOS in Mathematics, MGM	11,41,800/-	3,50,000/-
21	An Econometric Evaluation of Value Chain performance of Garment Industry in India	ICSSR, New Delhi	Dr.T.N.Devaraja, Dept.of Commerce, PG Centre, Hassan	3,09,250/-	1,20,000/-
22	UGC DRS assistance to Library &	UGC, New Delhi	Co-ordinator Prof.Shalini.R.Urs	14,70,000/-	14,70,000/-

	Information Science		DOS in Library & Information Science, M.G.M		
23	UGC DRS assistance to Communication & Journalism	UGC, New Delhi	Co-ordinator Dr.Niranjana, DOS in Communication & Journalism, M.G.M	25,75,000/-	12,55,000/-
24	UGC DRS assistance to Food Science & Nutrition	UGC, New Delhi	Co-ordinator Prof.Shashikala Puttaraj, DOS in Food Science & Nutrition, M.G.M	32,50,000/-	24,34,000/-
25	SAP DSA Programme DOS in Zoology	UGC, New Delhi	Co-ordinator Dr. Prakash R.Naik, DOS in Zoology, M.G.M	52,00,000/-	30,74,040/-
26	For strengthening of infrastructure in terms of power supply, water supply, safety equipment etc.	UGC, New Delhi	DOS in Zoology, MGM	30,00,000/-	30,00,000/-
27	FIST Programme	DST, New Delhi	DOS in Botany, MGM	38,35,000/-	---

10. Patents generated, if any

Patents:-

The following two patents were obtained during the year :-

1. No. 196925 - National
2. No. IN2003/000355 - International

11. New collaborative research programmes

- 1) Shastri Indo-Canadian INS in English Department
- 2) DANIDA ENRECA SAR Project Phase II (Applied Botany)
- 3) DANIDA Seed pathology (Applied Botany)
- 4) Asia's Third Sector Government (Commerce and Law)
- 5) Vidhyanidhi Digital Library- Ford Foundation (Library and Information Science)

12. Research grants received from various agencies

Summary of Grants received from various sponsoring agencies towards Research Projects/Schemes : 2007-2008

Sl. No.	Sponsoring Agency	Amount
1.	Advanta India Ltd., Bangalore.	6,78,000=00
2.	AICTE, New Delhi	13,29,893=00
3.	BRNS (DAE), Mumbai	21,500=00

University Level Camps

I Inter Collegiate Camps

An Inter Collegiate Camp was organized at Manasagangothri Campus, Mysore from 03-09-2007 to 12-09-2007. 250 volunteers and 10 Programme officers attended.

As a part of 'Shramadan' the surrounding areas of 'Kukkarahally Lake' was cleaned and 151 saplings were planted in the Manasagangothri premises. The surroundings of various Departments were also cleaned.

II District Level Camps

Three District level NSS Camps were organized at the following places:

Sl. No.	District	Place	Strength	Date	Nature of work
1	Mysore	Bogadi	166 Volunteers	01-10-2007 to 10-10-2007	1) Cleaning the city. 2) Tree planting 3) Health Checkup Camp
2	Mandya	Alakere	150 Volunteers	29-09-2007 to 08-10-2007	1) Formation of play ground 2) Soaking pits 3) Drainage cleaning 4) Tree planting
3	Hassan	K.Hirihalli	150 Volunteers	08-10-2007 to	1) Construction of toilets 2) Road formation

				17-10-2007	3) Preservation of monuments 4) Health check up Camp 5) Tree planting
--	--	--	--	------------	---

III State Level Camps

Six NSS Volunteers participated in the State level Republic Day Parade Camp held at Bangalore from 11-01-2008 to 27-01-2008 and they also participated in the Republic Day March Past on 26th January 2008 at Field Marshal Manekshaw Parade Ground, Bangalore.

IV National level Camps

- 1) Six Volunteers participated in the National Integration Camp held at New Delhi from 7-5-2007 to 11-5-2007.
- 2) Two volunteers participated in the National Integration Camp held at Moodabidri from 21-2-2008 to 27-2-2008.
- 3) Two volunteers participated in the National Integration Camp held at konandur (Shimoga Dist) from 20-2-2008 to 26-2-2008

Achievements & Awards

- 1) PROF. U.K. SUBBARAYACHAR MEMORIAL NSS BEST VOLUNTEER AWARD for the year 2006-07 was awarded to Kum. Sridevi B.L. Maharani's Women's Science College, Mysore & Sri.Gopala Gowda, M.Krishna Law College, Hassan.
- 2) UNIVERSITY LEVEL - BEST NSS VOLUNTEERS AWARD for the year 2006-07 was awarded to Kum. Roopa.L, Mallamma Marimallappa College, Mysore and Sri.Ramachandra, Maharaja's College, Mysore.
- 3) The BEST NSS UNIT award for the year 2006-07 was awarded to Bharathi College, Bharathinagara, Mandya Dist.
- 4) Prof.Neelakante Gowda.C was awarded the 'BEST PROGRAMME OFFICER' for the year 2006-07.

Special Camps organized

69 Special camps were organized at Colleges, University and District levels during the year 2007-08. The details of the project work undertaken by the NSS Units during the camp periods are shown below:

Sl. No.	Projects	Work done
1	Constuction of New Roads	53 Kms.
2	Repair of existing roads and drainages	4 7Kms. Drainage 29 Kms. Roads
3	Construction of open Auditorium (raised platform)	3
4	Play grounds constructed	21
5	Preservation of Monuments	27
6	Filling of abandoned wells	09
7	Desilting of wells	08
8	Desilting of Ponds	5
9	Construction of Soak Pits	36
10	Construction of Toilets	27
11	Fencing in School areas	-
12	Construction of Room for Schools	-
13	Legal Awareness Programmes	9
14	Legal Aid Camp / Lok Adalat	3
15	Any other activity	
	- Health Check up camps	51
	- Vetrynery check up camps	47

Exhibition & Display programme

The library arranged Books Exhibition & Display Programmes based on important occasions & Birthday Celebrations of Eminent personalities like, Ambedkar Jayanthi, Nethaji Subhaschandra Bose, Independence day, Gandhi Jayanthi, Kannada Rajyothsava, National Library Week & Rastra Kavi Kuvempu Jayanthi. A lecture on “Library and user community” was delivered by Prof.Aravinda Malagathi, Kuvempu Institute of Kannada Studies, Manasagangothri, Mysore in the National Library Week programme held on 20th November 2007.

Activities

1. Launched Library Web Site and Virtual Zone on 19-12-2007.
2. Demonstration on New Gen Lib open source software for library automation by L.J.Haravu on 29-01-2008.
3. National Symposium on “Recent Advances in Information Science” was organized on 28 and 29th March 2008.

Downloads of online resources through library portal can be monitored by the usage details from respective publishers. Library is partly automated and operated using

Kohat, library management software. 164 computers are provided for information retrieval via internet, besides the campus wide network. Reprographic facility is outsourced and available within the library premises.

Attention is paid to build up the e-resource collection, besides the print to keep pace with current literature to enhance learning and research.

Purchase of books are by recommendations of the respective Departmental Committees (catalogues and e-mails are periodically sent for their selection of current titles). Prior to renewal of journals every year, Departments are requested for their consent and also recommendations for new titles. Brainstorming sessions are also held to consider subscription of new databases journals. The titles thus recommended are placed finally before the Library Committee for negotiation of subscription costs and approval to proceed for subscription. Both print archives as well as extensive e archive collection is also used. For example, JSTOR is most popularly used for retrieving archival literature.

Campus wide network enables the students and faculty to have a ubiquitous environment with access to online library services available 24X7 at desktops/laptops. Frequency or usage statistics gradually increased in downloads every year.

- 1) Library is fully automated and operated on LIBSYS.
- 2) 164 computers are provided for information retrieval via internet besides the campus being Wi-Fi.
- 3) Information resource sharing across the globe is also in vogue.
- 4) University of Mysore is a phase I member of the UGC INFLIBNET and has access to all the INFONET consortia e-resources.
- 5) It is second in the country to sign MOU with UGC INFLIBNET for submission of theses to the repository “Shodhganga” and our entire theses collection is available in open access both at the INFLIBNET site as well as on our Library Portal.

- 6) Identified by INFLIBNET as one of the 22 Universities for e-journals article delivery across the country through Journal Custom Content Consortia (JCCC) interface.
- 7) User awareness orientation workshops are periodically organized to train the users to access the consortium and subscribed e-resources of the University.

Library functions throughout the year except for seven holidays. Working hours have been extended from 8.30 a.m. – 8.30 p.m. (12 hours) and till 10.00 p.m. (14 hours) during examination period. It is proposed to have 24 hours reading facility in the additional new library building under construction (likely to be ready by December 2011).

Library advisory Committee consists of the Registrar, Finance Officer, Deans of Schools and Librarian. Committee meets periodically to deliberate, take decisions and make recommendations on Library development issues. Highlight this year was that, the Committee had done negotiation of e-resources with the respective publishers through video conferencing in the Library. We are the first university in the country who have done this exercise, thereby saving lot of time and money.

Book Exhibitions

Apart from the traditional library services, value added services such as referral service, *e*-alerts, Institutional Repository of research output, citation analysis, article delivery service, access to digital sources through library portal, OPAC, online tutorials, orientation programmes, workshops, exhibitions, conferences, and student support “Earn while you learn” scheme are provided.

Downloads of online resources through library portal can be monitored by the usage details from respective publishers. Library is partly automated and operated using Kohat, library management software. 164 computers are provided for information retrieval via internet, besides the campus wide network. Reprographic facility is outsourced and available within the library premises.

Attention is paid to build up the *e*-resource collection, besides the print to keep pace with current literature to enhance learning and research.

Purchase of books are by recommendations of the respective Departmental Committees (catalogues and e-mails are periodically sent for their selection of current titles). Prior to renewal of journals every year, Departments are requested for their consent and also recommendations for new titles. Brainstorming sessions are also held to consider subscription of new databases journals. The titles thus recommended are placed finally before the Library Committee for negotiation of subscription costs and approval to proceed for subscription. Library advisory Committee consists of the Registrar, Finance Officer, Deans of Schools and Librarian. Committee meets periodically to deliberate, take decisions and make recommendations on Library development issues. Highlight this year was that, the Committee had done negotiation of e-resources with the respective publishers through video conferencing in the Library. We are the first university in the country who has done this exercise, thereby saving lot of time and money.

Motivation to students and teachers

The jackets of the new arrival of books are scanned and displayed to roll in a Plasma TV at the entrance of the library, which catches the eye of the entrant (first of its kind in any university library). Secondly, the library software Libsys has a provision to

check the latest arrivals for the last one month. Besides e-circulars/e-alerts are posted and flash news on the library portal indicate the latest additions of e-resources to the library. Periodic Orientation and Training programmes for honing skills in usage of database, Quizzes, Posters and promo material create awareness of latest additions.

Special Facilities offered to the Visually Challenged Persons

Computers and scanner with the essential software to convert print into audio files are provided. The visually challenged scan the essential print books and stores it as audio books for use. They are also savvy in using our library portal to access all the e-resources of our digital library, use internet to access their e-mails or prepare power point presentations.

22. *New books/journals subscribed and their cost*

Acquisition of Books

New books - their number and cost	2007-2008	Number =1004	Rs 9,18,684=00
-----------------------------------	-----------	--------------	----------------

Subscription to Periodicals (Journals, Magazines, etc.,)

Sl. No	Types of Journals/Magazines	Total Numbers
1	Indian Journals	186
2	Magazines	10
3	News papers	15

23. *Courses in which student assessment of teachers is introduced and the action-taken on student feedback:*

Student assessment of teachers has been followed in all courses. The feedbacks are collected in a structured format periodically. Based on the feedback good performers are appreciated and other staff members are motivated to improve their performance.

Students Critical Evaluation of Teachers

Students' feedback is an essential component of any assessment. It provides an opportunity to elicit the view of the students regarding the general facilities available in the Department, their opinion about the teaching and research commitment and capability of the faculty, role of administrators and system of administration, delays and denials of justice, and for providing better amenities and care on campus with modern tools and techniques. Questions regarding teacher's regularity in conducting classes, providing up-to-date information on the subject, their orientation to the assigned part of the curriculum, style and efficiency of teaching, clarity in imparting information, availability of the teacher before and after the class hours for consultation, general ability of the teachers, their capabilities in motivating students for progression, etc are normally included in such exercises. Students are also asked to give their feedback in an abstract manner (Annexure A & B).

As per the directions of NAAC, student assessment of teachers is introduced and based on the overall observations made, the teachers are advised to act effectively. Assessment of teachers by the students is conducted every year for all the courses and reviewed by the and advisory committee members consisting of former Vice Chancellors and high level education administrators and accordingly the teachers are appraised and motivated to improve the teaching and research programs

24. Unit cost of education

Including Salary	=	1	:	Rs. 80,070/-
Excluding Salary	=	1	:	Rs. 10,452/-

25. Computerization of administration and the process of admissions and Examination results, issue of certificates

Application for the common entrance examination for various self financing courses conducted by the University in its campus and affiliated University is now

possible through online. Issuance of hall tickets and publication of results are also computerized.

Application form for admission to PG departments of the University is now available in the University Website in downloadable form. Rank lists are also published in the Website.

To carry out the day-to-day administrative activities of the University intranet has been established. The process of admission and examination has been computerized. Results are published in about 20 days from the end of last examinations and displayed both in the Notice board and University website. The Examination results and issue of certificates are under the control of University.

Some functions of the University including finance transactions are already computerized and the processes for further improvements are on. Total educational e-governance is being initiated.

26. Increase in the infrastructural facilities

- a) Construction of canteen at PG Centre, Hassan
- b) Construction of water tank at Manasagangotri Campus to store Cauvery water
- c) Providing roads to Institute of Development Studies, University Printing Press and Dr. B.R. Ambedkar Study and Research Centre.
- d) Construction of Microbiology building

Research facilities

Free analytical facility provided to all Research students in the Central Instrumentation Facility. State-of-the-art analytical facilities created during the reporting year. Further, some of the labs meant for the PG students have been updated.

General Facilities

- Sports Facilities such as Cricket Ground, Football Ground, Volley Ball Ground were improved.

- The facilities in the library, particularly in the University Library have been further improved.
- State Bank of Mysore operates a branch with all value added facilities and services on the University Campus including ATM facility.
- Manasagangothri School established in the campus, offers classes I to X to cater to educational needs of the children of the University staff, faculty and people in the neighbourhood.

27. Technology upgradation

The University believes in providing an ambience with the state-of-the-art facilities.

The Library has the state-of-the-art facilities with available journals online.

Most modern and sophisticated instruments are provided for scientific research and enormous thrust is given for promotion of collaborations with both the national and international institutions.

In the Post Graduate and Research Departments of Physics and Chemistry new instruments have been purchased. The Department of Computer Science is equipped with new software to suit the need. PCR and UV spectrometer are purchased in the Department of Microbiology. To perform automated processes, the Department of English is provided with a system of latest configuration.

Some more departments are equipped with OHP, LCD and computers with Internet computers.

28. Computer and Internet access and training to teachers and students

- The University has a Central as well as department wise computing facility. All the teaching departments have internet connected computer labs for the use of

students. Most of the faculty members are provided with individual computers having internet connectivity.

- The Academic Staff University regularly conducts computer training programmes to non-teaching staff members. This is very important as the University is effectively implementing systematic computerisation of its administration and all examination related works.

Based on the need and requirements the Computer and Internet training is extended to all staff. The departments are provided with internet facility.

29. Financial aid to students

12	Sathyabhama Devi Roy Endowment Scholarship (4 Scholarships x Rs. 38,500=00)	1,54,000=00
Total		10,29,000=00

Alumni Associations are functioning in all teaching departments of the University. They are doing yeomen services in their area of operation. Their activities include providing academic support, conducting symposia and workshop, providing financial aid to needy students as scholarships and endowments, assisting the activities of Placement Cell etc.

- Department-wise alumni meetings were conducted.

- The Alumni of Computer Science Department have donated books to the Library and Information Centre.
- Alumni association provides scholarships to the economically weaker and meritorious students and instituted Medals and Trophies to the meritorious students.
- The BoS of every course includes an alumnus as its member, who contributes in restructuring and updating of the curriculum.
- Guest lectures are delivered by alumni members on topics in their field of specialization and relating to the overall development of the students.
- Alumni members residing in various parts of India and abroad share their experiences with the staff and present students whenever they visit the institution.

They also help the students in getting placements by providing information about the employment prospects to the students, faculty and HoDs. Though the activities of the Alumni Association was insignificant during the entire period, some alumni in their individual capacity were involved in academic support to the University by associating themselves in delivering talks, seminar lecturers and also by attending different Programmes held in the University. But their moral supports to the University were significant.

31. Support from the Parent – Teacher Association and its Activities

University of Mysore , since its inception, it is maintaining centrality in character in admitting students and appointing teaching and non-teaching functionaries from all parts of India and even abroad for some prestigious and innovative courses by following the required percentage of reservation. Hence, the formal association of Parents and Teachers is not practically feasible. However, the individual department / centre is inviting the available parents in around the University and convening an informal parent teachers associations in the department/centre to make valuable suggestions and contributions which would improve the teaching, learning, research, consultancy and exception activities of the University. In the case of students who are absent for more

than week, department chairperson sends the wards parents a post-card (since most students are from rural region) informing them about the student, his marks and other academic records. The parents do come and have meeting with the course teachers on day-to-day basis inquiring about their wards and normally this procedures do lead to corrective measures for the student to change their attitudes towards higher learning.

32. Health services

The University has two health centres: one at Manasagangothri Campus and the other one at Maharaja's College Campus.

a) Health Centre at Manasagangothri.

Total number of Out-patients treated	50,000
Total number of Laboratory Tests carried out	2,500

The Health Centre serves the Medical needs of the University Employees and their family members and students of Manasagangothri, CIST, Maharaja's and Yuvaraja's Colleges, Mysore. A large number of patients were treated for Major cases of ENT infections, Cardiac diseases, Hepatitis infection, all types of general diseases, all types of accident cases, Orthopedic problems, Ophthalmic problems, Thyroid problems, Diabetic Melitus. Regular antenatal checkup of pregnant women and Annual checkup for Gangothri Students were done.

The Laboratory has been equipped for different types of blood tests for Hepatitis infection, AIDS infection, all types of fever, Diabetics, Hypertension, Tuberculosis and all types of Urine tests were carried out. Minor Operations were undertaken in our OT section like suturing of open wounds, cuts in accident cases, opening of Abscess & emergency cases were treated as in-patients with I.V.fluids, ECG recordings are also done to rule out cardiac disease. The centre has been providing medical services to the Physical Education Department students of the University of Mysore, during their Annual Sports Meet, during Convocation Visits of VIPs and Manasa Exhibition. Free Bone Marrow Density Test (BMR) was done on 27-04-2007 to 29-04-2007 (three days) by famous Retired Professor and Orthopaedic Surgen Dr. Manjunath.

b) Health Centre at Maharaja's College Campus

Total number of Out-patients treated	15,715
Total number of X-rays taken	370
Total number of E.C.G. taken	80

The Centre attended to all the medical and minor surgical problems of Students, Staff of the University and their family members. The patients suffering from cardiovascular diseases and other long standing diseases like Diabetes Mellitus were given regular and utmost care with the provisions of ECG & X-ray. E.N.T., minor Ophthalmic and Dermatological problems were also attended to & advice regarding the Family Welfare Programmes were also given. Immunisation programme was followed. Regular Annual Medical checkups were also conducted for the Students.

33. Performance in sports activities

- 1) The department catered to the needs of talented and selected student sportspersons in various sports disciplines to represent the University of Mysore, in all India Inter University tournaments.
- 2) The selected sportspersons were given intensive training by experienced coaches. After obtaining training, the students took part in the Inter-collegiate, Inter-university and other sports competitions of the concerned state associations and national federations throughout the year.
- 3) The importance given to the “Physical Fitness Tests” once again proved its essence in improving the sports performance by our student sportspersons at the Inter-university sports competitions.
- 4) Inter-collegiate Sports competitions for men were conducted by dividing the University jurisdiction into 5 zones. To cater to the sports needs of rural student sportspersons of Mysore District, one more zone ie., Krishnaraja Zone was conceived. Inter-collegiate inter-zonal women games were conducted separately.

- 5) To take the sports activities to the door steps of the students at Manasagangothri campus, new Tennis courts, Volleyball court with flood light facility, Kho-Kho courts and Basketball Cement courts are in the process of preparation.
- 6) The sports infrastructures like the Indoor Hall, the Swimming Pool, the Cinder track and all other play fields have been utilized by our student community throughout the year.
- 7) The rich experience of the personnel of the department have been utilized by the various government agencies and other Universities.
- 8) This year also, the scholarship for outstanding sportspersons of our University have been awarded to 75 student sportspersons, the amount being Rs.1,500/- each.
- 9) Mr. Arun Kumar H.R, a student of the Department of Studies in Political Science, Manasagangothri, Mysore bagged the BRONZE MEDAL in the 60kg category at the All India Inter University Best Physique Competitions held at the Punjab University, Patiala. Mr. Arun Kumar H.R. and his Coach -cum –Manager Mr. B. Sadashiva Bhat, were felicitated and presented a memento and cash award of Rs.5,000/- each.

Tournaments conducted

Sl. No.	Name of the Competition	Venue of the Competition	Date of the Competition
01	University Inter-collegiate Chief Justice Hombegowda Memorial Gold Cup Football Tournament	University Sports Pavilion, Mysore	10 th to 14 th August 2007
02	University Inter Collegiate Athletics (M & W) Competition and selection trials	University Oval Grounds, Mysore	5 th to 7 th September 2007
03	University Inter Collegiate Competitions and selection trials in Swimming and Diving, Gymnastics, Yogasana for Men and Women and Wrestling, Best Physique and Weight Lifting for Men	University Sports Pavilion and Swimming Pool, Mysore	20 th to 22 nd September 2007

36. Activities of the Guidance and Counseling unit

University Employment Information and Guidance Bureau

The University Employment Information and Guidance Bureau is a joint venture of Mysore Univeristy and the Department of Employment and Training, Government of Karnataka. The Jurisdiction of the University Employment Information and Guidance Bureau is spread over four districts viz; Mysore, Chamarajanagar, Mandya and Hassan and there are 140 first grade College in its fold.

The Bureau is functioning as per the guidelines of the Department of Employment and Training, Government of Karnataka and also the Directorate General of Employment and Training, New Delhi.

Registration

During the year 116 candidates including 58 women have registered their names and sought various information related to employment.

Individual Information

Individual information on educational & employment opportunities like admission to various courses, advertised vacancies, competitive exams conducted by UPSC, KPSC, SSC, Banking, Railway, etc., was provided and Advertisements regarding vacancies received from Central Employment exchange , scholarship and exams conducted by various commissions, Advertisements published in the Employment News, News papers received from other Universities are displayed on the notice board.

Group Discussion

Nearly 8000 candidates visited this bureau for registration and other purposes. They were divided into 183 groups according to their qualification and given guidance about employment opportunities and how to apply for jobs. Nearly 6200 students utilized the information.

Visit to Colleges

The Deputy Chief visited 33 colleges and gave career talks to the final year degree students regarding job opportunities through Competitive Examination, Higher Education and Self Employment. Nearly 3,000 students utilized and benefited from the talks. At the time of admission of students to colleges, guidance was given by the deputy chief in 2 colleges regarding selection of options according to their capacity. Nearly 450 students made use of this talk.

Career Guidance and Literature Exhibition

11 career exhibitions and guidance talks were conducted in the colleges for the benefit of the students regarding Job opportunities through competitive examination & Higher Education, Self Employment and Personality Development. Nearly 3500 students the benefited from this talk and exhibition.

Publication of Job Bulletin

The Bureau is regularly publishing a monthly job bulletin which is a collection of all the information regarding job opportunities and competitive exams conducted by various commissions, published in various News papers, Employment news etc., bulletins were sent to all the colleges, libraries, SC, ST Hostels etc.

Other Activities

70 First Grade Colleges affiliated to the University of Mysore have career guidance units. The unit officers co-operate with the bureau in sending their students to campus selection and in the career exhibition and guidance talks. Out of 200 students who participated in the campus selection interview held on 1-3-2008, 11 students were selected.

37. Placement services provided to students

Campus Interview at EMMRC

Rural Mobile Commerce Services, Jakkur, Bangalore, Wipro Ltd., Bangalore, TCS, Bangalore and other companies and business sectors conducted recruitment

programmes for graduate and post graduate students of the University and selected as many as 28 students.

38. Development programmes for non-teaching staff

Type of the Development	Amount spent (Actuals)
Encashment of Earned leave	7353056
Medical Reimbursement	6244879
Empolyees training	40991
Sports activities of employees	100000
Children Education	400000
General Cultural Activities	39900

39. Best Practices of the institution

- 1) Add on Diploma courses
- 2) Availability of syllabus and regulations on the website (75 courses already hosted, remaining to be hosted shortly)
- 3) Recognizing Teachers based on Assessment of Students
- 4) Academic Audit
- 5) Free hostel accommodation for girls and SC/ST students
- 6) Power back up for all Hostels, Labs and Academic Departments
- 7) Providing funds for freshers party to eliminate ragging
- 8) Well defined purchase procedure
- 9) Administrative Audit
- 10) Reservation rosters hosted on website
- 11) 24 hours health services

Finance

- 1) Automation of financial transactions
- 2) Up-to date reconciliation of receipts
- 3) Certification of Accounts by State Accounts Department
- 4) Full utilization of Non-Plan and Plan Grants

40. Linkages developed with National-International, Academic/Research bodies

The university has developed linkage with national and international institutions, research laboratories and other organization to strength the research profile of the faculty in the thrust area of national and internationals importance by arriving at memorandum of understanding.

- The University of Mysore has collaborated with the Huanghuai University, China for imparting higher education in IT and other related fields. In this connection, Dr. Wang Baoyu. Vice- Dean, International College who is also representing the Chancellor of Huang Huai University visited the University of Mysore on 13th March 2008. He also met His Excellency the Governor of Karnataka and Chancellor of Universities on 17-03-2008
- The University of Mysore has entered into MOU with IBM, Bangalore to offer M.S. (Technology) programme to the employees of IBM. The IBM has expanded this programme in other IBM centers. viz., Kolkotta, Guragaon, Hyderabad and Pune from the academic year 2007-08.
- The details of some of the faculty having collaborations/membership with national/international professional organizations are given under:

Sl. No	Name of the teacher	Academic bodies
1.	Prof K Byrappa	Member, Materials Research Society Elected Fellow, World Academy of Ceramics, USA Member, Indian Science Congress, Kolkata Fellow, Geological Society of India Member, Indian National Academy of Science Committee of Crystallography Executive Member of the Commission on Crystal Growth and Characterization of Materials – International Union of Crystallography
2.	Prof Mewa singh	Fellow , Indian Academy of Sciences, Bangalore Fellow, Indian National science Academy Fellow, National academy of Sciences
3.	Prof D Revannasiddaiah	Life member, International Liquid crystal society, Indian Liquid crystal society Member, Indian Physics Association
4.	Prof C Ranganathaiah	Member, Indian Science Congress, Kolkata
5.	Prof L Paramesh	Member, ISRP; ISTA, Mumbai
6.	Prof R Somashekar	Member, Life member, International Liquid crystal society,

Sl. No	Name of the organization	Purpose	Date of entry
1	INO & TIFR	<p>Setting up an INO center at the Mysore University campus .This center (INO) the India –based Neutrino Observatory Project sponsored by the Department of Atomic Energy and DST is an at building a World class underground laboratory for doing research in frontier areas of high energy particle physics and allied areas. The INO center at the Mysore University campus is expected to be the main center, from which all the activities of the INO both at the underground laboratory and the participating institutions will be co-ordinated over a period of time.</p> <p>The INO center will perform the following: 1) INO training programme 2) participation of INO Scientists in teaching M.Sc. programme of the University 3) Facilitating research activities of the University.</p>	20-10-2007
2	National Aerospace Laboratories	<p>The MOU with NAL envisages the following:</p> <p>To introduce a co-operative programme in training and research in areas such as</p> <ol style="list-style-type: none"> 1) Computational structural Mechanics 2) Aerodynamics/Computational fluid mechanics 3) Material Science 4) Electronics 5) Computer Science 6) Composites & Polymer Science 	20-10-2007

41. Any other relevant information the Institution wishes to add

The University has the following prestigious centres:

- Dr. B.R. Ambedkar Studies, Research and Extension Centre
- Centre for Information Science and Technology (CIST)

- Gandhian Bhavan
- Oriental Research Institute (ORI)
- Centre for Women's Studies
- UGC-Academic Staff College
- Educational Mutli- Media Research Centre (EMMRC)
- University School of Design
- University Archeological and Folklore Museum
- Geological Museum

PART C

Administrative Audit from: 2007-08

The Academic and Administrative Audit Committee members visited the following sections and held discussions with the head and staff of each section separately.

- 1) Administration
- 2) Finance
- 3) Examination
- 4) College Development Council

Administration - Observations

- 1) The University administration is sending circulars through e-mode which is highly appreciated.
- 2) Training of non-teaching staff is limited to university staff only.
- 3) Decentralization of administration is – fairly good.
- 4) Providing information under RTI has been done on time and there is good amount of awareness.
- 5) Grievance Redressal has been addressing the grievances of the employees by meeting at regular intervals. (2-3 times a year).
- 6) Departmental Promotion Committee (DPC) meets once a year.
- 7) Review meetings within the Administration along with Finance and Engineering Sections are held twice a month which is noteworthy and should be continued.
- 8) Financial powers delegated to various officers including Deans have enhanced activities and provided more autonomy and responsibility.
- 9) The number of court cases are very less. This shows that the systems are in place and transparent. Still there is a room to show more improvements..
- 10) Putting the Roster points on the website is a welcoming trend.

- 11) Most of the staff are trained in Computer skills and are motivated to do their mundane job using computer and internet.
- 12) Increase of Internet Bandwidth to 12 Mbps has been done and the campus is planning to go for a complete Wi-Fi environment.
- 13) Optimum utilization of existing space to house different cells of Administrative Sections, is a good initiative.
- 14) Central Air-conditioning of all sections of the office is yet another measure of the administrations..

Finance - Observations

- 15) System of making advance payments to the Head of a Unit in order to meet the expenses for any major event is appreciable.
- 16) The decision of the University to continue to delegate financial sanction/purchase powers to different officers and departmental Heads for speedy operation deserves appreciation.
- 17) The students' scholarship disbursement mechanism, quick clearance of bills and the decision to gradually dispense with the mechanism of submission of Demand Drafts to the University are some of the healthy practices initiated on governance adopted in the Finance Branch.
- 18) Computerization of Accounts and automated cheque generation is laudable.

Examinations - Observations

- 19) With 174 Affiliated Colleges and 6 PG Centers in colleges affiliated to the University, the Examination section has been effectively conducting examinations of PG and UG courses as also that of Professional courses.
- 20) Examinations of courses under outreach mode are held in 25 centers in different parts of the country and are being carried out through twinning program with 37 institutions.

- 21) The Examination section has printed nearly 1600 question papers and 70,300 answer scripts during 2009-2010.
- 22) The processing of result is being computerized. However complete automation of the Examination is still to be implemented, from on-line application.
- 23) The Examination section has a separate Finance unit which caters to the disbursement of payments to paper setters, evaluators and custodians in time.
- 24) The Malpractice Enquiry committee meetings are held regularly and penalty/otherwise decisions of the committee are communicated well in time to the students.
- 25) OMR sheets are being used in engineering examinations.
- 26) For Entrance and Distance Education examinations, the University Professors are deputed as observers.

The Heads of the departments made presentations giving details of action taken on the recommendations made by the AAA committee and on the developments of the Departments. The committee observed that all the Departments had complied with most of the recommendations of the committee. There is a visible change in the strength of the staff, progress in research and infrastructure facilities, observed over a period of time, in all sections of the University.

The AAAC visited all the departments and had a detailed discussion with faculty members. Discussions were on the changes brought in the curriculum, innovations adopted in the teaching learning process, research activities, research grants brought from funding agencies, awards received by faculty either for research or for teaching, the achievements of students in the department and other recognitions and activities. Based on the interaction with the faculty and also going through the records and research facilities created in the departments and centres, each group has discussed the essential inputs need for further development of the departments and centres and also the institution as a whole.

Future Plans

The phenomenal and all round development of the University of Mysore for this academic year remarkable. The expansion in the academic programmes, development of adequate infrastructure and student amenities, welfare measures adopted for the employees and students, quality initiatives in the research activities, reforms in the governance, adoption of new and novel academic regulations to sustain quality in research and the development of excellent ambience in the Campus are all due to the untiring efforts and leadership provided by the Vice-Chancellor and ably supported by the University Administrators and faculty members. The University has projected a road map for the future developments in several sectors. University is planning to establish new Centres of studies with the assistance of UGC and also other funding agencies. The publication of more journals in different disciplines is also envisaged.

The construction of a group of buildings to house different departments of School of Social Sciences and School of Humanities, will be shortly completed and made ready for occupation. University has also initiated for modernization of sports ground with development of play fields for Cricket, Tennis Court, Volleyball Court and Basket Ball Court. University has a future plan to adopt a unique Community outreach/extension programme to train educated unemployed Women from remote areas, villages, backward areas and support them to start their own kindergarten schools. Another future scheme that is being worked out by the University is the adoption of villages by the Centre for Social Exclusion and Inclusive studies and Department of Social work. The completion of all these proposed programmes will certainly place the University in an excellent position both in research and extension activities.

According to the overall objectives, the IQAC has monitored and improved the entire operations of the institution and assured every stakeholders connected with higher education, namely students, faculty members, staff, parents, funding agencies and society in general and the institutions accountability in particular, for its own quality and probity.

To sustain the quality assurance, the Academic and Administrative Audit Committee may be reviewed with external experts to assess the academic and administrative system of the University with necessary suggestions to improve.

**Name and Signature of the
Chairperson, IQAC**
