ACKNOWLEDGEMENT

I would like to acknowledge with pleasure, the contribution, guidance and assistance that I received from many in preparing this dissertation report. It is because of their willingness to sacrifice their precious time, energy and resources that the successful completion of this dissertation report has been possible.

I am highly indebted to my guide, Dr. K. B. PRAVEENA, Associate professor Department of Studies in Education Manasa Gangotri Mysuru. whose valuable guidance and supervision enabled me to complete this dissertation. With all his busy engagements he had been kind enough to guide me when I sought the same. I would not have completed this dissertation without his considerable supervision.

I wish to extend my gratitude to the Head of the Department, all

the professors, lecturers and all the staff members in department of Education Manasagangothri, Mysuru, for their constant encouragement and guidance.

My sincere thanks to all the Secondary School Headmaster/Headmistress teachers, and all my lovely students who extended their co-operation and generous help in collecting the data required for this study.

I express my sincere thanks to my friends of M.Ed course for their consistent inspiration.

Finally, I thank my parents for inspiring me to pursue higher studies.
