

UNIVERSITY OF MYSORE

The University of Mysore

A MINOR PROJECT REPORT ON

“Fabrication and Characterization of Ni-Ti Nano composites for further use as Shape Memory Alloy wires in Hybrid Composites (SMAHC) for improved Impact Resistance”

Submitted in partial fulfilment of M. Tech in Materials Science Course

Submitted by

KSHETRAA CHITTIAPPA B.

(19MTS352)

Under the guidance of

DR. S. SRIKANTASWAMY

Professor and the Coordinator

Department of M. Tech in Materials Science

March, 2021
