

Quantification of L-arginine in biological samples using partially purified cilantro (*Coriandrum sativum*) arginase

A project report submitted to the
Department of Studies in Molecular Biology

University of Mysore,

In partial fulfillment of the requirements for the award of the Master of Science
Degree in Molecular Biology

By

Pavithra E

Register No: 19MBI017

Under the guidance of

Dr. Gopal Marathe. K

Professor

Department of studies in Molecular Biology

University of Mysore

Mysuru – 570006

2021

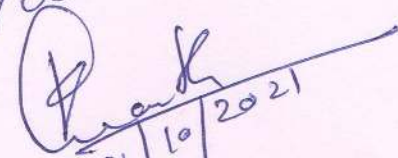

CERTIFICATE

This is to certify that Ms. Pavithra E has submitted the project report entitled "Quantification of L-arginine in biological samples using partially purified cilantro (*Coriandrum sativum*) arginase" in partial fulfillment of the requirement for the award of the Master of Science Degree in Molecular Biology, from University of Mysore, in the year 2021. The report has been prepared by her under my guidance and supervision.

Place: Mysuru
