Dear Prof.Rangappa,

The Indian Science Congress during centenary year has instituted Ten senior Fellowships in the name of **Asutosh Mookerjee Fellowship** to utilize the services of the Life Members of the Association who are active in high quality research in their specialized disciplines but have superannuated from their service. The objective is to utilize the expertise of ISCA Members after superannuation primarily for research work in some R&D center / University / Colleges / Institutes in India.

Considering your contributions and achievements, it is my immense pleasure to inform you that the Indian Science Congress Association has considered your nomination and has selected you for "**Asutosh Mookerjee Fellowship of 2021-2022**" which is effective from **April 01, 2021**.

This prestigious Fellowship carries a honorarium of Rs.30,000.00 p.m. and an annual contingency grant of Rs.1,00,000.00 which includes incidental expenditure of the research (chemicals glass wares, stationary, part time services of a scientific assistant/secretary for typing and travel). As per resolution of the minutes of the meeting of Executive Committee held on 20.01.2021, "The monthly fellowship of individual Fellow should not exceed Rs.1.5 lacs (including initial basic pension and fellowship amount)".

The term of this Fellowship will be tenable initially for a period of three years, extendable for another two years after a review of the achievement of three years. Kindly send your acceptance as early as possible.

Please accept my heartiest congratulations on this occasion and I am personally happy as you richly deserve this Fellowship.

With respectful regards,

Yours sincerely,

(Dr.S.Ramakrishna)
