1st March 2021

Dear Madam

Greetings from WGSHA and MAHE, Manipal!

We are very happy that you accepted our request and are now empaneled as an Adjunct Professor in our institute. Look forward to a series of fruitful academic engagements.

Our 2020 batch of MSc Dietetics and Applied Nutrition students have returned to campus in January 2021 for on-site classes. Some of them have opted for online classes also, so we are teaching in a hybrid mode as of now. These students are currently in their first year.

We would like to invite you to Manipal to take a half a day expert session on 'Diabetes' for these students, on the afternoon of 12th March 2021, Friday. In addition, we request you to conduct another session on 'Research trends in Food Science and Nutrition' for our MSc DAN faculty on the morning of 13th March 2021, Saturday.

Looking forward to hearing from you and welcoming you to our campus in Manipal. Once you confirm, we shall go ahead with travel and accommodation arrangements.

Thanks and warm regards

Chef K Thirugnanasambantham
Principal

Dr Meenakshi Garg
Coordinator, MSc DAN
