Dear sir,

This is to bring to your kind information that, The Ministry of Food Processing Industries (MOFPI), GOI under PMFME scheme have accepted the project proposal submitted by us on upgradation of the existing Jaggery park at ZARS, V C FARM, Mandya of UAS, Bangalore with a condition that the park should be converted into an Incubation centre for commercial production of Chemical free Jaggery / Organic Jaggery by outsourcing to FPO/NGO/Any private party on O and M basis. Further, as per the guidelines of the MOFPI, the host Institute has to choose a Mentor Institute for execution of the project. The University is pleased to consider your esteemed Institute (Dept. of sugar Technology, Sir M. Vishweshwaraiah Postgraduate Centre, Tubinakere, Mandya, Mysore University) for joining hands with our Institute by acting as a Mentor Institute for the project. In this regard, I request your kind self to consider our request and communicate your willingness to act as a Mentor Institute for the said project. Once your willingness is received, a Tripartite Agreement has to be made between the host institute (UAS, Bangalore), Mentor Institute (your Institute) and State Nodal Agency (KAPPEC), GOK. A copy of the same is attached herewith for your kind perusal and for further needful.

Regards

Associate Director of Research
Zonal Agricultural Research Station
V.C.Farm, Mandya – 571405

Dear colleagues, I am forwarding a mail sent by ADR, VC Farm, Mandya, who would like to involve us in a project. The mail is self explanatory, please go through it.

Regards

Manohar
