**MESSAGE FROM THE  
VICE CHANCELLOR**

The University of Mysore is one of the oldest universities in India established in 1916 and presently governed by the Karnataka State Universities Act, 2000. Government work is God's work. Public service is a public trust, requiring all stakeholders, especially the employees, to place loyalty to the Constitution, the Laws and Ethical Principals above any personal or private gain. It a service intended and oriented to serve all the members of a community. For most of us, education is a necessary public good and is pivotal to the task of nation building. Like a fresh breeze, education is crucial and necessary to make our communities come alive. The mission of the University of Mysore, is to contribute to the society through the pursuit of Higher Education, Learning and Research, reaching the zenith of international excellence. "Nothing Equals Knowledge" is the motto of the University. The Government, University Authorities, Teachers, Non-teaching Staff, Students, Alumni, Parents and the Public are the major stake holders of the University.

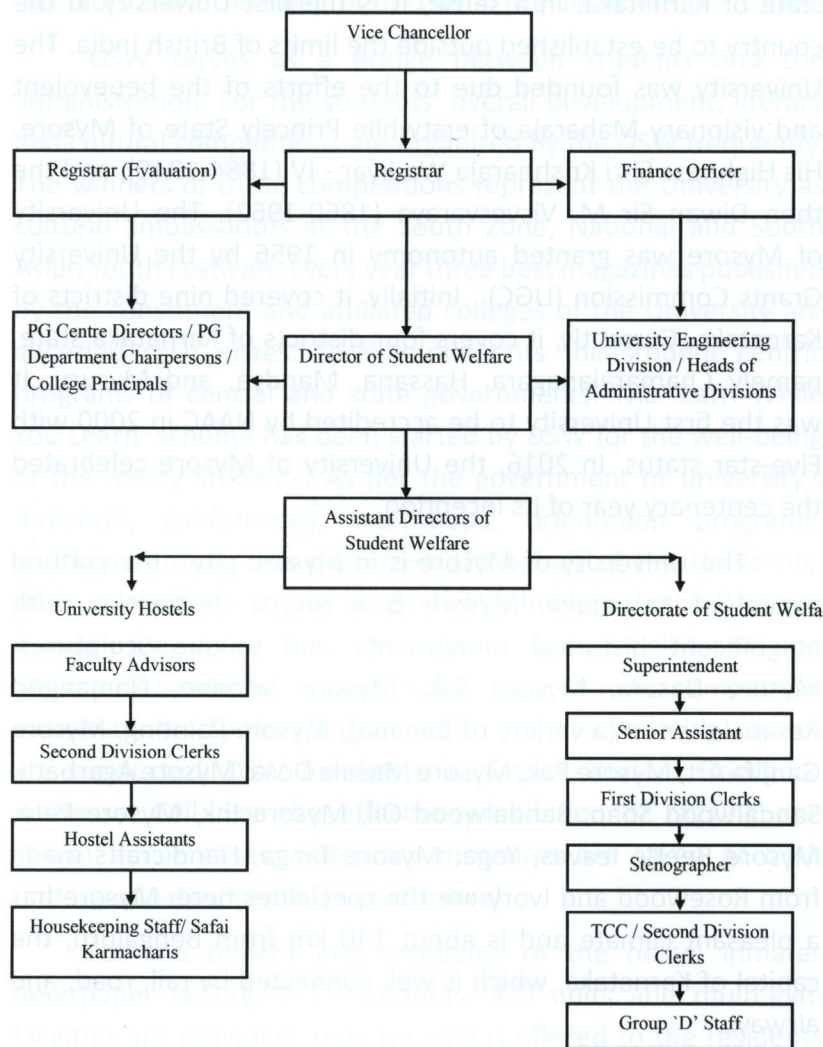

Teaching undoubtedly is a noble profession throughout the world which shapes the character, caliber and future of an individual. In any Educational Institution, a teacher, whether he or she, can inspire, hope, ignite and instill a zest and love for learning among the students. Besides, the Teachers are expected to hold the honor and dignity of the teaching profession, provide an innovative and quality education to their wards, be

impartial and discriminative with students, interact with the students in a friendly manner and abide by the procedures, rules and regulations of the institution to ensure students' safety. Moreover, Teachers should collaborate with fellow teachers, be responsible and interact positively with parents and other stake holders in educating the students. Foremost, Teachers should be good counselors and facilitators helping, guiding, encouraging and assisting the students in their learning process.

In order to maintain absolute integrity at all times, a total devotion to duty is absolutely essential. Independence and impartiality are to be practiced while discharging the duties. In order to render prompt and courteous service to the public, the University of Mysore has prepared this Hostel Manual. The Manual provides a comprehensive view of the total number of Hostels, the facilities available and the mode of functioning of these Hostels. Apart from this, the Hostel Manual also provides vital information regarding the key role played by the Directorate of Students Welfare in efficiently running the Hostels falling under the jurisdiction of Mysore University and facilitating excellent Academic as well as extracurricular activities for the Hostel dwellers.

PROF. G. HEMANTHA KUMAR  
VICE-CHANCELLOR

## Organizational Structure of the Directorate of Student Welfare

The University of Mysore was established on July 27, 1916. It is the sixth oldest in the country and the first in the state of Karnataka. In a sense, it is the first University in the country to be established outside the limits of British India. The University was founded due to the efforts of the benevolent and visionary Maharaja of erstwhile Princely State of Mysore, His Highness Shri Krishnaraja Wadiyar - IV (1884-1940), and the then Diwan Sir M. Visvesvaraya (1860-1962). The University of Mysore was granted autonomy in 1956 by the University Grants Commission (UGC). Initially, it covered nine districts of Karnataka. Currently, it covers four districts of Karnataka state, namely Chamarajanagara, Hassan, Mandya, and Mysuru. It was the first University to be accredited by NAAC in 2000 with Five-star status. In 2016, the University of Mysore celebrated the centenary year of its inception.

The University of Mysore is in Mysuru city - the cultural capital of Karnataka. Mysore is a tourist destination with magnificent historical monuments and unique sculptures. Mysore Dasara, Mysore Silk, Mysore Jasmine, Nanjangud Rasabalehannu (a variety of Banana), Mysore Painting, Mysore Ganjifa Art, Mysore Pak, Mysore Masala Dosa, Mysore Agarbatti, Sandalwood Soap, Sandalwood Oil, Mysore Ink, Mysore Peta, Mysore Beetle leaves, Yoga, Mysore Tanga, Handicrafts made from Rosewood and Ivory are the specialties here. Mysore has a pleasant climate and is about 140 km from Bengaluru, the capital of Karnataka, which is well connected by rail, road, and airways.

The Directorate of Student Welfare, the main body of the University of Mysore, was established in 1968. Prof. U.Ka. Subbarayachar was the first Student Welfare Director, who served for several years, providing a firm foundation to DSW. The Director of Student Welfare's position is a statutory position

as per the Karnataka State Universities Act- 2000. The Director of DSW is a member of the Academic Council. Two Assistant Directors assist the Director of DSW in the office administration.

DSW serves as a bridge between students and the administration. For the students' overall development, literary and cultural competitions are organized by the DSW frequently. The winners of these competitions represent the University as cultural ambassadors at the South Zone, National and South Asian Youth Festivals. Every year three best magazines published by the constituent and affiliated colleges of the University are awarded cash prizes. DSW implements the student centric programs of central and state governments. The 'Earn While You Learn' scheme has been started by DSW for the well-being of the needy students. As per the government or university's direction, conferences, workshops, orientation programs, and competitions are organized. On behalf of the University, DSW celebrates national festivals like Independence Day and Republic Day. In coordination with the Special Cell for SC and STs, brainstorming workshops, training programs for competitive examinations, Spoken English and computer training classes are conducted. DSW handles UGC Online Student Grievance Redressal Cell. For the effective prohibition of ragging and sexual abuse cases, necessary measures are taken at both undergraduate and postgraduate level.

For the benefit and wellbeing of the hostel inmates newspaper facility, CCTV cameras, R.O units and multi-gym facilities are provided. Yoga training is offered to the residents of the hostel in collaboration with the Directorate of Sports. The University also provides facilities like a health centre, swimming pool, tennis court, badminton court, etc.

19 hostels are under the control of DSW. Nine hostels are run exclusively for postgraduate students, nine hostels

for undergraduates, and one hostel for working women. The 18 hostels (besides a working women's hostel, which runs in association with the Department of Women and Child Development, Government of Karnataka) are providing accommodation and dining arrangements to the students of UG, PG, Diploma, M.Phil, and PhD programmes. These hostels (excluding working women's hostel) operate following the guidelines and instructions of the University Hostels' Administration and Students' Welfare Advisory Committee. The hostel's faculty advisors act as drawing officers. The University Syndicate determines whether the mess facility in the hostels should be run by private contractors or through faculty advisors.
