As you are aware, the prestigious "DAE-Raja Ramanna Chair (DAE-RRC)" scheme is run under the auspices of DAE. The scheme is intended to utilise the services of active retired scientists, engineers, and technologists who have been involved in high-quality research in their specialised disciplines in the units of the DAE or any national laboratory or university or institute governed by state/central government and who, after retirement, are keen to carry out R&D and studies on the areas as identified by DAE.

Greetings from the Department of Atomic Energy (DAE) Secretaria

DAE-RRC scheme is a national-level scheme and nominations from institutes/universities/national labs governed by State/Central government (i.e. in the capacity of host institute, defined under DAE-RRC scheme) for such potential retired scientists/engineers can be submitted to DAE throughout the year. The nominations submitted to DAE are reviewed by a high-level selection committee wice a year, preferably in the months of April and October. Thus, in the sequence, the next selection committee meeting is scheduled for the month of October of this year.

Information brochures pertaining to the scheme are also available on the DAE website at the URL https://dae.gov.in/dae-schemes/. The brochures provide comprehensive information regarding the scheme, including the specific areas/topics identified by the Department as well as instructions for submitting the nominations. A copy of these brochures is also attached to this communication for your reference.

In view of the above, it is requested to your office for forwarding the nominations, if any, of such potential retired scientists/engineers to DAE-RRC & HSC Cell, a

Cell set up at DAE exclusively for handling the nominations related to the scheme.

May I also request you to kindly give wide publicity to the scheme in order to reach out to the potential nominees.

The nominations from any host institute or applicant to the Cell/Department or for any other related queries must be emailed to rrcadmin@dae.gov.in, an email exclusively created for the purpose.

If you have any further queries regarding this, please let us know.

Thanking you with best regards,

With Regards,

Anek Kumar, Scientific Officer/G Secretary, DAE-RRC&HSC Schemes Cell Nuclear Controls & Planning Wing Department of Atomic Energy Government of India CSM Marg, Mumbai 400001 INDIA
