

Dear Researchers,

Wish you happy new year!

The Department of Studies in Library and Information Science, University of Mysore, Mysuru would like to invite you to participate in our upcoming workshop on “Hypothesis formulation and Techniques of data analysis”. The workshop will be conducted exclusively to the research students in Library and Information Science.

Importance of hypotheses for research need not be emphasised to a researcher like you. Formulating hypotheses is an essential step in the research process. It allows us to make predictions about the relationships between variables and helps guide our research design and data collection. Without clear hypotheses, it can be difficult to interpret the results of our research and draw meaningful conclusions.

In addition to the importance of hypotheses, it is also crucial to have a strong understanding of statistical techniques and tools for data analysis. These techniques and tools allow us to analyse and interpret our data in a rigorous and unbiased manner, leading to more accurate and reliable results.

During the workshop, you will have the opportunity to learn about different types of hypotheses, how to develop and test them, and the various statistical techniques and software tools that are commonly used in data analysis. Our experienced instructors will provide hands-on demonstrations and exercises to help you apply these concepts in a practical setting.

The two-day Workshop will be held on 27<sup>th</sup> and 28<sup>th</sup> January 2023 with a participation fee of Rs. 750/- per person. Certificate of participation will be delivered on the last day of the workshop. The participants will have to make their own arrangements for accommodation, breakfast, and dinner. A working lunch and two-time tea are arranged during the sessions.

We believe that this workshop will be an invaluable learning opportunity for research students in LIS, regardless of your major or previous experience with research. We hope to see you there!

Confirm your participation by return mail.

With regards

data analysis**

(January 27-28, 2023)

ProgramSchedule

<b>Day 1</b>	<b>27-01-2023 Friday</b>	
9.00 am to 10.00 am	<b>Registration</b>	
10.00 am	Invocation	Anusha and others, Fine Arts College, University of Mysore
10.00 am to 11.30 am	Welcome Address	Prof. N.S Harinarayana, Chairman, Department of Library and Information Science, University of Mysore
	About the Department	Prof. Mallinath Kumbar, Department of Library and Information Science, University of Mysore
	Inauguration and inaugural address by	Prof. D.S. Guru, Department of Computer Science, University of Mysore
	Presidential address	Smt. V.R. Shylaja, Registrar, University of Mysore
	Vote of thanks	Prof. M. Chandrashekhara, Department of Library and Information Science, University of Mysore
11.30 am to 12.00 noon	<b>Tea Break</b>	
12.00 noon to 1.15 pm	Session 1	Prof. Indira Former Professor, Department of Sociology, Mysore 'Tips for crafting well-supported hypotheses'
1.15 pm to 2.00 pm	<b>Lunch</b>	
2.00 pm to 5.00 pm	Session 2	Dr. Srilakshminarayana G. Associate Professor, SDMIMD Mysore 'Exploring the science of hypothesis formulation and data analysis-I'
<b>Day 2</b>	<b>28-01-2023 Saturday</b>	
10.00 am to 1.00 pm	Session 1	Dr. Srilakshminarayana G. Associate Professor, SDMIMD Mysore 'Exploring the science of hypothesis formulation and data analysis-II'
1.00 pm to 2.00 pm	<b>Lunch</b>	
2.00 pm to 3.30 pm	Session 2	Prof. Ravi S. 'Myth Busting: Separating Fact from Friction in Hypothesis Formulation'
3.30 pm to 4.30 pm	<b>Distribution of Certificates</b>
