

09. Outstanding Achievement of the Department: UGC-SAP/DST-FIST:

- **Memorandum of Understanding (MOU) and Type of Activities:**

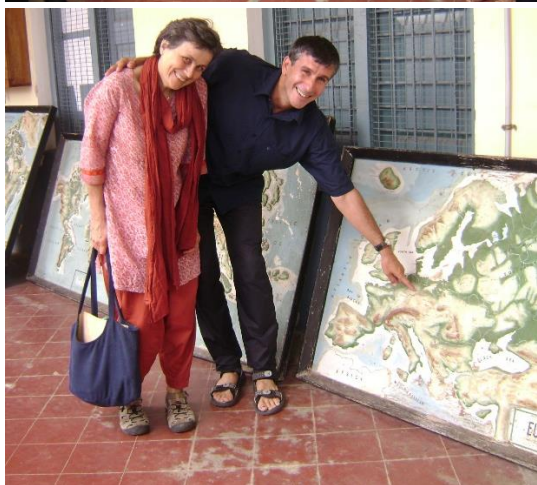

Department engaged in developing collaborations with Foreign Universities, Indian Universities and GIS industries.

The areas of cooperation include the following activities:

- Exchange of staff members
- Exchange of students
- Joint projects related to research, teaching, and faculty development
- Exchange of publications, research materials, newsletters

Successfully, we have collaborated with the following two organization:

1. MoU with Masaryk University, Czech Republic 2011

Images: 1. MoU Discussion with Czech Republic Masaryk University, With Mrs. Dr. Nadia Johanisova and Mr. Dr. Petr Daněk

One of the students from Batch II (2009-11), Mr. Joshua Kazingmei has already been sent to Masaryk University, Czech Republic for the up-gradation of his skill on GIS at the expense of that University.

2. MoU with InfoMaps, a mapping organization in Chennai for Research, Training and Internships for students 2013
