Dear Student,

The University of Mysore welcomes you to its picturesque main campus, located in the heart of Mysore City. The following details provide you the necessary information about this prestigious institution of higher learning.

ABOUT THE UNIVERSITY

The University of Mysore was established on 27th July 1916 by its founding father, His Highness Sri NalvadiKrishnarajaWodeyar, the then Maharaja of Mysore. It is the Sixth University established in the country, the very First in the Princely State of Mysore and the first University in India to be assessed and accredited with FIVE STAR status in 2000, re-accredited at A⁺ level in 2006 and re-accredited again in 2012 with a CGPA of 3.47 at A grade by the National Assessment and Accreditation Council (NAAC).

Location of the University

Mysore city, where the University is located, is the cultural centre of Karnataka. The city which was the capital of the Wodeyar dynasty, the rulers of Mysore, is famous for its palaces, temples, gardens and festivals. Tranquillity and peace reign in this beautiful city where arts are kept alive along hoary traditions. Being a splendid tourist centre with historical monuments and unique architecture, it is famous for silk, sandalwood oil and artifacts of ivory and sandalwood. The city has salubrious climate throughout the year. It is about 140 kms. south west of Bangalore, the State capital, and is well connected by rail, road and air.

The postgraduate programmes of the University are distributed over three campuses in addition to the main campus at Manasagangotri, Mysore.

These three campuses are located in Tubinakere near Mandya, Hemangotri near Hassan and at Chamarajanagara. The Tubinakere campus near Mandya is known as Sir M. Viswesvaraya Postgraduate Centre and is located on the Mysore-Bangalore highway at a distance of about 8 kms. from Mandya. The Postgraduate Centre at Hemangotri, Hassan is located near Kenchattahalli village on the Mangalore- Bangalore highway at a distance of about 10 kms. from Hassan. Dr. B.R. Ambedkar Post Graduate Centre of Mysore University is located at Chamarajanagar, the Southern most district Headquarters of Karnataka State.

Institutional Evolution

The University gained autonomy in 1956, and in 1960, the postgraduate centre at the picturesque environs facing the beautiful Kukkarahallilake was established. The revered National Poet, former Vice-Chancellor of the University of Mysore and a Jnanapeetha awardee, **Dr. K.V. Puttappa (Kuvempu)**, named the postgraduate campus as **Manasagangotri**. The campus spread over 350 acres, has a serene atmosphere. The well-groomed trees that surround the buildings and the well laid-out avenues add to the beauty of the campus.

Originally the territorial jurisdiction of the University consisted of nine districts of Karnataka State. With the creation of Bangalore University in 1964, Mangalore University in 1980 and Kuvempu University in 1987, the territorial jurisdiction of the University of Mysore is now confined to the four southern districts of the State, viz, Chamarajanagara, Hassan, Mandya and Mysore.

University of Mysore Centenary Celebrations

A Rare Time To Be A Student

It is very rare that one gets an opportunity to be a student of one of the oldest universities in the country. That time has come. The students who are going to enroll this year will become part of the history as the University of Mysore is celebrating the year-long celebrations.

It is a momentous occasion and the importance of this milestone has been clearly understood by our visionary Vice Chancellor Prof K.S. Rangappa who has left no stone unturned to see that the Centenary year will go in the record books that will match the Founding Fathers vision.

NalwadiKrishnarajaWadiyar founded the University on July 27, 1916 with the assistance of his able Diwan Sir M. Visvesvaraya. This is the sixth university in the country, the second in South India and first to be started under the royal patronage.

The celebrations have already begun and none other than the President of the country Shri Pranab Mukherjee inaugurated it on July 27, 2015 at the Amphi Theatre. The significance of the occasion stood out as more than 12,000 people had gathered in the stadium which itself is a history that needs to be recorded.

As part of the celebrations we have already launched the Centenary Logo, Centenary Website and Centenary Theme Song. The Centenary Historical play and the Centenary Historical Documentary Film will also be made. A Coffee Table Book is already in the making which will be released at an appropriate time.

A book on the History of University of Mysore titled “An Era of Enlightenment” (One Hundred Years History of University of Mysore) penned by renowned historian and former Vice Chancellor Prof B. Sheik Ali who is also an alumnus of the University has been released.

The University of Mysore Centenary Nobel Laureate Lecture Series will begin from September 4. The feather in the cap for the University is the

hosting of the 103rd Indian Science Congress which will be inaugurated by the Prime Minister on January 3, 2016.

The students who join the various Post Graduate Departments in Manasagangotri campus will have ample opportunities to participate in all the above mentioned programmes.

Spread the Message of this once-in-a-life time opportunity among your classmates, friends and people at large in the universe.

Academic Programmes

The University of Mysore is offering graduate and postgraduate degree, diploma and certificate and Ph.D. programmes. There are five

faculties, viz., (1) Arts, Humanities and Social Science (2) Commerce and Management, (3) Education, (4) Law, (5) Science and Technology.

In the last eight decades, the University has served the cause of higher education with distinction. Currently the University has 53 post-graduate departments at Manasagangotri campus, 13 post-graduate departments at Tubinakere campus, 08 post-graduate departments at Hemagangotri campus and 08 post-graduate departments at Dr. B.R. Ambedkar post-graduate Centre of Mysore University is located at Chamarajanagara. The University offers 72 post-graduate courses, 60 post-graduate diploma courses and many certificate courses. The University also has 04 Constituent Colleges and 261 affiliated colleges, the total student strength being 2,05,000/- of whom about 15,000 are post-graduate students. In addition, there are about 4,000 Research Scholars pursuing research in various disciplines.

Many universities from abroad have entered into Memorandum of Understanding with the University of Mysore for academic and research collaborations and promotion of cultural understanding.

The distinct strength of the University lies in providing high quality teaching and research backed by well qualified and experienced teachers, with a strong focus on Education, Fine Arts, Humanities, Languages, Law, Physical Education, Pure and Applied Sciences, and Social Sciences. Most of the postgraduate departments are of international repute and known for excellence in research. Research projects worth crores of rupees have been sanctioned to various University departments by national and international institutions and funding agencies.

The Department of Science and Technology (DST) of the Government of India has recognized the Department of Studies (DOS) in Bio-Technology,

Microbiology, Sericulture and Statistics under its FIST (Funds for Infra-structure Development) programme.

The University Grants Commission (UGC) has recognised the following departments under its Special Assistance Programme: DoS in Bio-Chemistry, Bio-Technology, Chemistry, Commerce, Computer Science, Earth Science, Food Science and Nutrition, Journalism and Mass Communication, Kuvempu Institute of Kannada Studies, Library and Information Science, Mathematics, Physics, Political Science, Statistics, Zoology. The University is maintaining its own printing press for all types of printing work. The Prasaranga is the publications division of the University which has published more than 1,500 books in various subjects, dictionaries, encyclopedias and monographs.

Green Campus

The University of Mysore is a leader in solarization of its campus with solar power provided in all street lamps and providing solar water heaters in all hostels. The campus has a good number of flower-full gardens and lawns. The ambience is comparable with some of the world-class universities including the pleasant weather, noise-free environment and student-friendly atmosphere.

Banking Services

The State Bank of Mysore has two branches in the University, one at the Manasagangotri Campus and the other at Crawford Hall, which provide banking and ATM facilities.

Cafeteria

There is a centrally located canteen on Manasagangotri campus which caters to the needs of students, faculty and the general public.

Centre for Competitive Examinations

The Centre for Competitive Examinations located at EMMRC building provides special training to equip students for various Competitive Examinations such as IAS, KAS, IPS, IFS, NET and SET, Banking Services etc.

Centre for Proficiency Development and Placement Service

Today, against the backdrop of globalization, candidates with proficiency for employability have manifold opportunities for placements. Proficiency is the key to employability, individual excellence and social involvement. To gain an overall proficiency, students need to be equipped with a variety of skills such as communication skills, language competency, analytical skills, application skills, organizational skills, inter-personal skills, innovative skills, entrepreneurial skills, etc. Keeping in view the need for systematizing the activities of skill development, proficiency enhancement, and personality development, and establishing liaisons for placements, the University of Mysore has established the Centre for Proficiency Development and Placement Service (CPDPS). The Centre keeps liaison with different Institutions, Industries, Government Departments and such other organizations, and collects information about job opportunities and creates and maintains up-to-date database in this respect. It facilitates unemployed graduates and postgraduates so that they could be placed in different sectors through on-campus and off-campus interviews, and other modes of selection processes.

Employment, Information and Guidance Bureau

The University Employment, Information and Guidance Bureau, located in the University Library building at Manasagangotri provides information on courses and careers. Pamphlets and booklets are displayed at the Bureau Office. Lectures and seminars are arranged in various colleges to highlight employment opportunities. Information about courses in other universities within the country and abroad is also provided. Students can register their names for employment assistance at the Bureau.

Health Centres

There are two Health Centers - one located on Maharaja's College campus and the other at the Manasagangotri campus of the University of Mysore, to take care of the medical needs of the students, faculty and staff of the University.

International Centre

The International Centre is located at the University College of Fine Arts at Manasagangotri. This is a single-window system facilitating the academic requirements of foreign students. It provides guidance and counseling to foreign students regarding admission to various courses in the University, besides assisting them in matters relating to eligibility, residential permits, bonafide certificates, etc.

Internet Access

The Manasagangotri campus and all postgraduate departments and library have wired and wireless internet browsing facilities. More details can be had from ICD (Information Communication Division), DoS in Computer Science.

K-SET Centre

The UGC has prescribed that a person aspiring to become an Assistant Professor in Universities / Colleges has to qualify in NET (National Eligibility Test) / SET (State Eligibility Test). The UGC and Government of Karnataka have identified University of Mysore as a Nodal Agency to conduct Karnataka SET (K-SET) for Lecturership and this K-SET Centre is located in PareekshaBhavan, behind Crawford Hall, University of Mysore, Mysore.

During the year 2013, the K-SET Centre will conduct examinations in 32 different subjects in line with NET examinations being conducted by the UGC. Details regarding the SET examination are available on the K-SET Centre website www.kset.uni-mysore.ac.in.
