ANNEXURE 2

1. Undergone Cooperative Extension Training regarding the promotion of University Cooperatives and carried out Post Doctoral Research at Ritsumeikan University, Kyoto, Japan during 1992-93, with a fellowship from National Federation of University Cooperative Associations (NFUCA), Japan. This 8 months training and research involved on the job exposure at various levels of decision making and execution. Visits to different types of cooperatives and discussion with both academic and activist groups have helped in developing an insight into the modus operandi of working of Consumer Cooperatives in Japan. Based on this experience I have developed study curriculum and training modules in the area of cooperative management.
2. Japan Foundation Fellow (2000) at College of Policy Science, Ritsumeikan University, Kyoto, Japan. Worked on 'Workers Cooperatives in Japan'. This work was carried out in association with Prof. Kiyofumi KAWAGUCHI. This work has lead to further collaborative work with other Universities.
3. Visiting Overseas Researcher (2008-09) at Graduate University of Advanced Studies, National Museum of Ethnology, Osaka, Japan. Carried out joint research with Prof. Masayuki DEGUCHI on the issue of 'Governance of Civil Society Organisations in Japan'.
4. Japan Foundation Fellow (2013-14) at University of Tokyo, Japan. Carried out research on the University Co-operative Business Consortiums and their relevance to co-operatives and small businesses in Asian countries.
