Sub: Providing financial assistance to visually impaired students for the year 2018-19.

We have given scholarship to 3 visually impaired students in your college during the academic year 2017-18. We will be happy to continue the scholarships to these students provided they have been promoted for the current academic year 2018-19. We enclose the continuation application form, to be filled by the students for continuation of scholarship duly recommended by the Principal / Head of the Department.

This year also, we would like to invite applications from the **newly admitted** Visually Impaired students as per the attached application form, duly recommended by the college principal / Head of the Department. (for degree courses only)

We prefer to give scholarships to meet Hostel fees, Mess fees and academic fees within a maximum amount of Rs 25000 per year to those students who have obtained admission in your college and hostel managed by your college. For others the scholarship amount per year is Rs.10,000/-

We would also be selectively considering applications for pursuing post graduate courses, for students who have scored an aggregate of 60% in graduation.

We are attaching the list of students who have availed our scholarship for the academic year 2017-18 and continuing their education for your ready reference.

Please contact our volunteer(s) detailed as under for modalities of sending the applications to us.
