Computer Society of India, Bangalore Chapter & Mysuru Chapter

University Computer Center, University of Mysore, Mysuru

Organizes
Two days " FACULTY DEVELOPMENT PROGRAMME"
28th& 29th March, 2015 @ BIMS, Rani BahadurCoference Hall, Hunsur Road,, Mysuru-06

Computer Society of India (CSI) has been a key interface between Academia and industry for more than 60 years and has organized many programmes to facilitate the same. CSI Bangalore Chapter (CSI-BC) formed i3 for i3(Implementable Innovative Ideas for Industry Institute Interaction) to bring focused attention to talent development. In fact CSI-BC launched the i3 for i3 club too, to ensure that interaction is a continuous journey and not a one off intervention.

CSI Bangalore chapter and Mysore chapter are conducting a Faculty Development Program(FDP)which is being hosted by University of Mysore on March 28,29,2015 at BIMS, Rani Bahadur Auditorium, Mysore. This is for IT stream UG and PG faculty of University of Mysore with more than 5 years' experience only. The Number of participants is limited to 100.**There is no Registration fee**. The participants should submit the filled registration form and **selected candidates** will be intimated through **email/sms**.

Participation certificate will be issued to participants who attend all eight sessions. We urge you to make the best use of this program designed by experts from academia and industry

It is our endeavor to enhance the effectiveness of the Faculty and other stake holders of this system through appropriate programmes addressing key concerns. Main topics discussed are hybrid IT and Cloud computing, Big data analytics, Cloud security, Storage Area Network, Internet of things, Gamification and Smart University. The companies addressing the above topics are TCS, VMWARE ,CDAC,Infosys, Microsoft and our own Mysore's Manjra Soft and datalife.

Best wishes from

Dr A M Sudhakara, Program Chair, UOM-FDP, IPP-CSI

Mrs Sudha Raju, Chief organizer, Bangalore Chapter
