About World Skills India 2023

WorldSkills Competition is a flagship event organized once in two years and more than 75 countries participate. It is the biggest vocational education and skill excellence event that truly reflects the global industry with more than 1000 youth under 22 years competing in more than 55 skills. The WorldSkills Competition for 2024 will be held in Lyon, France. As a pre-preparatory to the competition, Karnataka Skill Development Corporation (KSDC) has launched IndiaSkills-Karnataka 2023 competition. Aim is to intensively train the winners of India Skills Karnataka 2023 through Preliminary Level, Zonal Level and State Level competitions to win in the Regional and National Competition and represent India in the International platform.
