Act 26 of 2010.- The National Education Policy, 1986 and the Task Force on Higher Education set up by the State Government in 2002 under the Chairmanship of Dr.M.R.Srinivasan, recommended that the State-level planning and co-ordination of Higher Education including University Education shall be done through an independent, autonomous Council for Higher Education. In order to bring out better excellence, inclusiveness and accessibility in the higher education sector, the Task Force has also recommended the abolition of the existing Inter University Board constituted under the Karnataka State Universities Act, 2000 and in its place suggested to constitute the State Council for Higher Education.

2. The Government considers it expedient to establish a State Council for Higher Education as a collective of the Government, Universities, academics and experts with a view to forge a synergic relationship among them by occupying an operational space between the Government and the Universities on one hand and between the Universities and apex level regulatory bodies on the other. Government further considers that by establishing the Council it would create an enabling environment for-

- (a) Promoting academic excellence and social justice by obtaining academic input for policy formulation and perspective planning;
- (b) ensuring autonomy and better accountability of all institutions of higher education in the State; and
- (c) guiding the growth of higher education in accordance with the socio-economic requirements of the State.

3. Accordingly, it is proposed to establish the Karnataka State Council for Higher Education as an autonomous authority.

Hence the Bill.
