FOREWORD

The University Manual for Conduct of Examinations which is being consulted/ followed now has not been revised for quite a long time and I am sure lot of operational changes have occurred in the process of conducting the examinations over this period. Realizing this change, the University is bringing out the revised edition of the Manual for Conduct of Examinations which should serve as a Reference Manual for all those who are involved in the process of conducting University Examinations.

I thank Dr. H.M. Mahadevan, Registrar (Evaluation), his supporting Staff and the Prof. N.S. Harinarayana, Director of IQAC and his team who are responsible for bringing out this revised edition of the Reference Manual.

Any suggestion for the improvement of the procedures laid down in this Manual is most welcome.

1.10 EXEMPTION OF FEE:

- a) The statement showing the details of fee exempted in the case of students whose family annual income is not more than the amount fixed by the Government from time to time for the concessions and also of candidates belonging to SC/ST/BCs shall be prepared SEPARATELY and attached to the Candidates' List. The statement may be prepared as per the Proforma given in Appendix VIII. In case the sanction order is not received from the competent authority at the time of submitting the candidates list a reference to that effect may be made in the remarks column and as and when the sanction is received it may be intimated to the Registrar (Evaluation).
- b) The following certificates should be furnished below the statement:
 - i) Certified that the exemption of examination fee has been given as per the existing Government Orders and the original certificate issued by the competent authority have been verified.
 - ii) Certified that the exemption shown in the statement has been sanctioned vide orders no..... dt..... Of the Regional Deputy Director of Collegiate Education,/Principal/Joint Director (write only whichever is relevant).

 - iv) Certified that the management of the Institution has not collected any amount pertaining to those candidates towards examination fee.
 - v) Certified that the amount claimed in this statement has not been claimed or drawn previously.

NOTE: Any other direction that may be issued from time to time in this regard shall be followed.

- c) The above statement may be sent to the Office of the Registrar (Evaluation) only after obtaining the sanction from the competent authority. There must be clear indication in the statement that sanction has been accorded for the exemption of examination fee, in particular.
- d) Two copies of the sanction order obtained from the competent authority shall necessarily be appended to the statement to facilitate the University to claim the reimbursement of the examination fee of the candidates listed in the said statement.
- e) In respect of SC/ST candidates who are eligible for Government of India Scholarship, the examination fees will be reimbursed by the District Social Welfare Officer of the concerned Districts. Heads of the Institutions have to claim the examination fee also along with other items of fee such as tuition fee, sports fee, reading room fee etc. They

need not apply for examination fee only in respect of (he SC/ST candidates in a separate form. Hence, Heads of Institutions have to arrange to collect the examination fee in the case of SC/ST students who are eligible for the Government of India scholarship and remit the same to the Mysore University Funds. In respect of other SC/ST candidates(repeaters) who are not eligible for the Government of India scholarship, the exemption of examination fee of such candidates has to be sanctioned by the Regional Deputy Director of Collegiate Education or authority competent to sanction examination fee, as the case may be. Hence, it may be arranged to obtain the necessary sanction order.

- f)** The detailed statement in triplicate showing the examination fee exempted in respect of SC/ST candidates who are not eligible for the Government of India Scholarship and as sanctioned by the competent authority may be sent to the Registrar (evaluation) along with two copies of the sanction order.

- h)** All the above particulars are to be sent to the Registrar (Evaluation) along with the candidates list on or before the date prescribed. Any delay in sending the Candidates' List would cause difficulty in scrutinizing and returning the same after due approval. Hence, the college authorities have to see that the candidates list and other statements are prepared strictly according to the instructions given above and send the same so as to reach the Registrar (Evaluation) promptly on or before the date fixed.
- i)** As the preparation, scrutiny and dispatch of Candidates' List without any omission or delay is of such crucial importance, it is necessary that the entire procedure is clearly understood by the Clerical Staff of the Institutions on whom the burden of preparing and scrutinizing the lists mainly falls. It is also necessary that the Heads of Institutions evince personal interest in this item of work to ensure that the lists are prepared Correctly and without any omissions, properly scrutinized and send to the Registrar (Evaluation) along with all the required statements according to the time schedule prescribed. It need not be over-emphasized that delay in sending the candidates lists and forwarding the applications will seriously upset the examination programme since;
 - i)** timely action cannot be taken to get the Question Papers, set and printed on time;
 - ii)** time-table for the examinations cannot be finalized.
 - iii)** The Examination Branch will not have sufficient time for the proper scrutiny of the Candidates' List. As a result, errors in the spellings of the names of the candidates and in the exemptions given may creep into the Candidates' List, leading occasionally even to the wrong declaration of results
 - iv)** Approved Candidates' List cannot be sent to the concerned centers on time, which will result in considerable inconvenience to the Chief Superintendents and also to the candidates.
