CENTENARY YEAR CELEBRATION

WORKSHOP ON:

“PSYCHODIAGNOSTICS: Administration, Enquiry, Scoring, and Interpretation of Rorschach Inkblot Test”

Date: 29th and 30th November 2024

Venue: Seminar Hall, DOS Psychology

Resource Persons: Prof. Basavarajappa, Former Professor in Psychology

Introduction

The two-day National level workshop on **Psychodiagnostics: Administration, Enquiry, Scoring and Interpretation of Rorschach Inkblot Test** was conducted with the objective of enhancing the participants' understanding of one of the most widely used and significant projective tests in psychology. The workshop aimed to offer both theoretical knowledge and practical guidance for using the Rorschach Inkblot Test in clinical and research settings.

The workshop was conducted on the 29th and 30th November 2024, at the **Seminar Hall, Department of Studies in Psychology, University of Mysore**. The program was brought together through the combined efforts of the **Department of Studies in Psychology, University of Mysore**, the **Mysore Psychological Society**, and the **Mysore University Psychology Alumni Association**. With participation from over 50 delegates, students and faculty from respected institutions such as Teresina College, St. Philomena's College, Mangalore University, Bangalore University, Kateel Ashok Pai Memorial Institution, Shimoga and professionals and practitioners from other institutions, the event became an inspiring platform for meaningful discussions and exchanges.

The session was led by **Prof. Basavarajappa**, a senior Clinical Psychologist and Fellow of IACP and a renowned expert in Psychodiagnostics and psychological assessment. Prof. Basavarajappa provided both theoretical insights and practical demonstrations, enhancing participants' knowledge of administering, scoring, and interpreting Rorschach responses.

PROGRAM OVERVIEW

Inaugural session

The inauguration of the workshop began on a positive and spiritual note with the watering of a plant, accompanied by an invocation song rendered by Ms. Niveditha K. of 1st-year M.Sc., setting a serene and harmonious tone for the event.

The formal welcome address was delivered by Ms. Jyothika Rajan of 1st-year M.Sc., after which the dignitaries, Prof. Basavarajappa and Prof. Sampathkumar, were invited onto the stage. Ms. Alaika Mathew, also of 1st-year M.Sc., introduced the resource person, highlighting his achievements, accomplishments, and contributions as an academician and practicing psychologist.

Inauguration of the Workshop by watering the plant

Keynote Address

The keynote speaker, Dr. Shyam H. R. delivered an insightful presentation on the Rorschach Inkblot Test, providing a comprehensive overview of its significance in psychological assessment. He explained the history and development of the test, emphasizing its role in understanding human personality and behavior. Dr. Shyam also added about his curiosity about the inkblots and its interpretations. His explanation provided an impactful start to the workshop.

Interactive Session

The workshop ensured that participants not only gained theoretical knowledge but also actively applied the concepts through practical exercises, discussions, and feedback sessions. The workshop was conducted over eight sessions, which were spread across two days.

Prof. Basavarajappa addressing the participants

The interactive sessions of the workshop were designed to provide participants with hands-on experience in the administration, scoring, interpretation, and real-world application of the Rorschach Inkblot Test.

DAY 01

Session 1, the participants were given an introduction to projective tests and about the Rorschach Inkblot Test in particular.

Session 2 focused on instructions for administration.

Session 3 covered the continuation of administration and enquiry.

Session 4 addressed the continuation of enquiry and scoring, refining their understanding through group discussions. Session 4 marked the end of Day 1.

The sessions promoted group discussions and interactions as well.

Prof. Basavarajappa interacting with the participants

DAY 02

Sessions 5 and 6 provided an in-depth exploration of scoring techniques, including analysis for location, determinant, content, popularity/originality, and form level rating. These sessions allowed participants to gain a comprehensive understanding of how each element contributes to the overall assessment process.

Sessions 7 and 8 focused on interpreting signs and symptoms, the intricacies of report writing, and the critical importance of delivering feedback, before concluding with a summary that wrapped up the key takeaways from the workshop.

The end of sessions on day 02 marked the successful completion of the workshop. Ms. Ankitha rendered the vote of thanks, and the department Chairman, Prof. Sampathkumar felicitated the resource person by presenting a memento. The participants also received their certificate of participation.

Felicitating Prof. Bassavarajappa.

Acknowledgements

The **two-day National Level Workshop on Psychodiagnostics** was a resounding success, offering a comprehensive and interactive learning experience. Under the expert guidance of Prof. Basavarajappa participants not only learned about the theoretical and technical aspects of the Rorschach Inkblot Test but also gained valuable practical experience through interactive sessions and group exercises. The workshop fostered a deeper understanding of the Rorschach test as a diagnostic tool and provided participants with the necessary skills to effectively administer, score, and interpret responses.

Participants of the workshop with the resource person Prof .Basavarajappa

This workshop would not have been possible without the **collaborative efforts** of the **Department of Studies in Psychology**, the **Mysore Psychological Society**, and the **Mysore University Psychology Alumni Association**. The Department of Studies in Psychology, University of Mysore, wholeheartedly

thanks Prof. Basavarajappa for his exceptional contributions during the workshop on the Rorschach Inkblot Test. His valuable insights into the administration, scoring, and interpretation of the test will undoubtedly have a lasting impact on all the participants. Our deepest appreciation goes to the tireless efforts of the conveners - Dr. Hita Claudia Rao, Dr. Shyam H. R., Dr. Manju H. K., Dr. Somesha C., Dr. Jayasheela S., and Ms. Annapoorna A. M., along with the participants from Teresina College, St. Philomena's College, JSS College, Bangalore University, and various professionals. We also extend our gratitude to everyone else whose contributions played a crucial role in ensuring the success of this workshop. We look forward to continuing such educational initiatives in the future.
