Youth Hostel Awareness Held on 9th July 2019

Above programme was held on 9th July' 2019. In this programme Prof. Jagannath, V., Retired ISRO Scientist, presently a Life member of International Youth Hostels was present. He spoke about the functioning, utilities and facilities of Youth Hostel. In his speech, he stressed about Youth hostel that, it is a place for forming friendship/ contacts. It is a place for recreation and informal education. He also told that in India, and abroad nearly 2500 centres are there, and in India about 50 Youth Hostels in different cities of our country, so that youngsters can avail and utilise the facilities at affordable cost or in cheaper cost as compared to private hotels/lodges. Moreover, he told that it provides more security as compared to private lodges/rooms. He encouraged our students' participants to become the member for a year, or for a period of two years and/or life member of Youth Hostel. To encourage the students, on the spot, he paid one year membership amount for four students who are under 18 years of age, and thereby made them as member for Youth Hostel for one year. He also informed the participants to inform their friends, parents, relatives, so that let others should aware of such facilities which are available to young generations and to all.
