M.C.A:(Graduated, July 2015) Master of Master of Computer Applications from Sri Jayachamarajenda college of engineering, Mysore.

Secured CGPA of 7.11.

B.Sc.:(Graduated, July 2015) Bachelor of Science in Electronics, Mathematics and Computer Science from the University of Mysore.

2.2. Professional Experience.

- September 2016 – Current: Lecturer (Temporary), Dept. of Studies in Computer Science, University of Mysore, Mysore.
- 2018-2019: Served as a Guest Faculty for Computer Science (Elective), in University College of Fine Arts, Manasagangothri Campus, Mysore-570009

3. Professional Recognition.

- Guided a few MCA, M.Sc., project works.
- Have been actively involved in teaching PG programs such as MCA Master of Computer Application, M.Sc. Computer Science.

4. Areas of interest.

4.1 Academic interest

Data Warehousing and Data Mining, Information Retrieval, Compiler Design, Image processing, Machine Learning, Data Clustering, Data Communications and Networking, Database Management System,

4.2 Research interest

Image processing, Feature Extraction, Data Cluster analysis, Image retrieval, Machine Learning and Deep Learning, Information Retrieval.

5. Courses/ Workshops /organized

- Involved in organizing an International Conference on Data Analytics and Learning (DAL-2018) has served as the member of organizing committee, organized by the Department of Studies in Computer Science, University of Mysore, Manasagangothri, Mysuru.
- Involved in organizing a DST Sponsored Three Days National Level Workshop on Data Analytics and Learning (NWDAL-2019), has served as the member of organizing committee, organized by the Department of Studies in Computer Science, UoM, MGM held on 18th to 20th November 2019.

5.1 Courses/ Workshops/attended

- Five Day National Seminar on “Multimedia Data Analysis, April 26th –April 30th, 2016 organized at SJCE, Mysuru
- Soft Computing Techniques to Pattern Recognition, 3rd -5th November 2016, Organized by Department of Computer Science, University of Mysore, Mysore.
- One-week Faculty Development programme on “Advances in Pattern Recognition: An approach through MATLAB” from 31st August 2016 to 4th September 2016, organized at SJCE, Mysuru
- Workshop on “Digital Image processing: Basics to Recent Trends”, 13th -17th June 2016, organized at SJCE, Mysuru
- A FDP programme on “Research Opportunities and the Future of Biometrics” organized by the Department of MCA on 26th June 2016 at SJCE, Mysuru.
- A one-day workshop on “Theoretical aspects of Fuzzy C-means Clustering” held on 11th March 2017 at the Department of Studies in Computer Science, University of Mysore, Manasagangothri, Mysuru.
- A Six-day Faculty Development program on “Big Image Data Processing Using Machine Learning Algorithms” at National institute of Technology, Warangal, during 11th -16th of December 2017.
- Workshop on LATEX, March 11, 2017
- Attended orientation program conducted by the Academic Staff College, University of Mysore, Mysore.

- One Day National Level Seminar on Applications of Machine Learning and Pattern Recognition in Biometrics (AMLPRB-2019), organized by the Department of Studies in Computer Science, UoM, MGM held on 30th September 2019.
- One Day International Seminar on AI in Real Time: Challenges and Opportunities” held on 13th January 2020 organized by Department of Computer Applications at JSS Science and Technology University, Mysuru.
- Second National Level Workshop on “Data Analytic & Learning” (DAL)-Advanced Topics organized Sri Jayachamarajendra College of Engineering, Mysuru
- Webinar on “Fundamentals of Deep Learning with Tensor flow” 24th -25th July 2020.
- Webinar on Emerging Trends in Intelligent Computing held on 28th August 2020.
