A MeitY - NASSCOM Digital Skilling Initiative

On 8-12-2020 at 4.00 PM

India is looking at growing its **digital economy** from $200 billion (2019) to as much as **$ 1 trillion by 2025** according to the Ministry of Electronics and IT (MeitY), GOI. While there is tremendous opportunity for growth, there is also a need for upskilling the existing & potential workforce, with targeted programme spanning across host of emerging technologies. The aim of this Panel Discussion is to explore the opportunities for partnering with NASSCOM to reskill and upskill graduate and post-graduate students of University of Mysore.
