NOTIFICATION

Sub: Initiation of Post Graduate Diploma in Auditory Verbal Theory (PGDAVT) from the Academic Year 2016-17.

Ref: 1. Decision of the Faculty of Science & Technology Meeting held on 16.02.2016.

2. Decision of the Academic Council meeting held on 29-03-2016.

The Board of Studies in Speech & Hearing (Combined) which met on 24-11-2015 has resolved to initiation of Post Graduate Diploma in Auditory Verbal Theory (PGDAVT) the institute caters to the clients with communication disorders and early identification and intervention of children with hearing impairment is one of the major objective of the institute. Auditory learning is a crucial part of an intervention program for children with hearing impairment. Auditory Verbal Therapy (AVT) is one of the methods to teach the children with hearing impairment to develop speech and language through the auditory mode with the use of hearing device(s). This technique has gained a lot of popularity as it has been found to be a successful procedure by many professionals across the world. There are also scientific evidences to prove the efficacy of this method. This method has got specific principles, steps and techniques to be followed by trained professionals.

Agenda proposed by Board of Studies (BOS)

For successful use of AVT, the speech and hearing professionals / special educators need to undergo specific theoretical and practical training on AVT. Hence, there is a requirement of a programme on AVT. In connection with this, a Post graduate Diploma Course on Auditory Verbal Therapy has been proposed following the approved syllabus of Rehabilitation Council of India. The aim of this program would be to produce the skilled speech, hearing and special education professionals who can provide AVT to children with hearing impairment.

Decision of the Faculty:

The Faculty of Science and Technology and the Academic Council at their Meetings held on 16.02.2016 and 29.03.2016 respectively have approved the above said proposal and the same is hereby notified.
