**AFTER AMENDMENT, THE STATUTES TO ESTABLISH SCHOOL OF  
PLANNING AND ARCHITECTURE SHALL BE AS UNDER:**

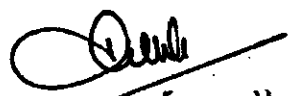

**Preamble:**

The Statutes relating to establish the School of Design are assented to by His Excellency the Chancellor and communicated the same by the Principal Secretary to Government, Education Department (Universities), in its letter No. ED 10 UMS 2014, dated 25.4.2015. According to the approved Statutes, the School of Design is a self-financing Institution without any financial aid from the State Government.

There exist in the University the Institute of Development Studies which has three sections viz., the Urban & Regional Planning, Agricultural Marketing Management and Development Studies. These three sections have their own sanctioned posts.

The Urban & Regional Planning and Architecture should co-exist to carry out the planning and architecture to meet the needs of citizens of the country. In almost all foreign Universities and also Indian Universities, the Planning and Architecture are treated as co-existing for the purpose of academic and research activities. Therefore, it is necessary to attach the Urban & Regional Planning section existing in the Institute of Development Studies with the School of Design to conduct the following courses and also research:

- 1) Bachelor Degree in Planning (B – Plan – four years course)
- 2) Bachelor Degree in Architecture (B.Arch. – five years course)
- 3) M.Tech in Urban and Regional Planning (two years or four semesters)
- 4) Master of Architecture (two years or four semesters)
