NOTIFICATION

Sub: Modification to the curriculum of M.Sc. Sugar Technology from the Academic Year 2016-17.

Ref: 1. Decision of the Faculty of Science & Technology Meeting held on 16.02.2016.

2. Decision of the Academic Council meeting held on 29-03-2016.

The Board of Studies in Sugar Technology (PG) which met on 08-01-2016 has resolved to recommend the curriculum as follows.

- Sugar Technology practical-II is shifted from 2nd Semester to 3rd Semester.
- Equipment design and drawing is shifted from 3rd Semester to 4th Semester.
- 4th Semester structure is as follows:

Hard Core

1. Factory practice/internship – 4Cr.
2. Alcohol Technology – 4 Cr
3. Equipment design and drawing (Lab) – 4 Cr.

Elective (1 only) – 2 Cr.

1. Water management and Zero discharge.
2. Corrosion control and prevention.
3. Energy conservation and cogeneration.

Self-study is removed in 4th Semester and it is converted into theory classes.

- Factory practical / internship credits are reduced from 6 to 4.
- 4th Semester should be three days theory and Practical (includes seminars and review of internship every week) and 3 days internship/factory practice.

The Faculty of Science and Technology and the Academic Council at their Meetings held on 16.02.2016 and 29.03.2016 respectively have also approved the above said proposal and the same is hereby notified.
