## UBA Project Objectives

### • Vision

Unnat Bharat Abhiyan aims at integrated rural development models to be initiated by higher education institutions with the help of local governance and communities.

### • Mission

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural and tribal people in identifying development challenges and evolving appropriate solutions

# Goals of UBA

1. To build an understanding of the development a agenda within institutes of Higher Education and an institutional capacity and training relevant to national needs, especially those of rural India.
2. To re-emphasize the need for field work, stake-holder interactions and design for societal objectives as the basis of higher education.
3. To stress on rigorous reporting and useful outputs as central to developing new professions.
4. To provide rural India and regional agencies with access to the professional resources of the institute education, especially those that have acquired academic excellence in the field of science, engineering and technology, and management.
5. To improve development outcomes as a consequence of this research. To develop new professions and new processes to sustain and absorb the outcomes of research.
6. To foster a new dialogue within the larger community on science, society and the environment and to develop a sense of dignity and collective destiny.

## SMART VILLAGE PROJECT

1. **SMART VILLAGE** is a concept adopted by national, state and local governments of India as an initiative focused on holistic rural development , derived from Mahathma Gandhiji vision of Adarsh Gram ( Ideal Village) and Swaraj ( Self Reliance ).
2. **SMART VILLAGE** is a program towards deriving inclusive approach. UOM is a PI. Selected Guladabailu hamlet of Huttru GP. This is adjacent panchayath of Tamil Nadu boarder. This panchayath is having 11 villages, UOM has taken 5 villages.

# **Unnat Bharat Abhiyan**

- Unnat Bharat Abhiyan is a flagship program initiated by the Ministry of Human Resource Development (MHRD), Govt. of India with the objective to engage reputed Higher Education Institution to understand and work in rural areas.
- University of Mysore has enrolled as a participating institution in the year March 2018
- Under the UBA programme the University of Mysore has been registered and proposed following villages in Hanur Block, Chamrajnagara District for the same.

# **Smart Village Project**

- The order of the Hon'ble Governor of Karnataka informs that every university under their jurisdiction in Karnataka has to take up the initiative of adoption of a village for development. SMART village was started for the purpose of ensuring that it becomes a modern village where all the schemes of the Government are effectively implemented and dovetailed with innovative projects initiative by respective universities.
- University of Mysore has initiated to work on SMART village program in its jurisdiction and adopted Gulladabailu village in Hutturu Gram panchayat, Hanur Block, Chamarajanagara.

# SITUATION ANALYSIS & WAY Forward

<b>SITUATIONS</b>	<b>PROBABLE WAY FORWARD</b>
<b>Individual and Community Rights under FRA not awarded properly since 2008</b>	It is causing denying living right holders. Reviving and capacity building of FRCs
<b>Functioning of FRCs are weak under FRA</b>	Reviving & capacity building of FRCs: Long term handholding needed from PI
<b>Absence of Convergence actions</b>	Convergence principles, strategies should be reinforced & its importance should be convinced to the stakeholders
<b>Absence of Technology Transfer Activities</b>	FRA-IR landholders not getting programs and beneficiaries status to receive benefits various schemes of PRIs, GOK and GOI. It needs to be readdressed.
<b>Migration</b>	To mitigate migration and poverty, multifaceted, convergence should be planned. VDPs should be strengthened. Community Monitoring systems should be strengthened.

## SITUATION ANALYSIS..cont''''

SITUATIONS	PROBABLE WAY FORWARD
Lack of awarding seasonal NTFP Extraction	FRCs should be strengthened to manage, issuing ID cards, taking stock of extracted NTFPs, Processing, Value addition and marketing system to be developed
Vicious Circle of Poverty due to non inclusive approach of financial institutions in the region.	Financial Literacy & Bank Linkage procedures should be streamlined; women should be provided organization and social support, thrift & Credit support. Women are bankable must reinforced.
Lack of awareness program on recent government policies & schemes	Systematic awareness building programs should be conducted in the project area and organizing IEC programs periodically
Poor livelihood infrastructure	Improper land holding records to be revisited by the authorities. With convergence programs time bound livelihood infrastructure should be planned and implemented. It needs advocacy.
Lack of Digital Services- Poor Infrastructure , shadow network	Digital Service Centre has to be established in strategic locations and manpower should be trained to manage common service Centre (CSC). It will provide lot of opportunities to avail benefits of the schemes and documents and information for the people.
