	Earth Quake Resistant Structures	
	Advanced Structures	
	Industrial Architecture	

	Facility Planning & specialized building design	
	<b>Year 5 Semester X (2016-17 Scheme)</b>	
	Architectural Design Thesis	

In the same curriculum for the students of Academic Year 2016-17, the working drawing subject is introduced in 6th semester and the Interior Design subject of the 6th semester is shifted to 8th semester to make the students learn knowledge of preparing working drawing before internship. The curriculum of 7th semester to 10th semester has been changed by introducing new subjects as well as re-designating some of the existing subjects as elective subject without removing them. The changes have been done as per the instructions of the University Circular (Enclosed the Circular copy) and Council of Architecture.
